Another stunning day at the Royal in March with the members (and visitor) all enjoying the day and five Lindenberg first round matches also being played.

Michael Porter had a mixed day, leading the field home with a solid 39 points and at the same time losing his Lindenberg match 4 & 3 to **Mark Pearson**. Mark finished in second place with 37 points on a count-back. **Nick Barwell** enjoyed the benefits of a visitor's prize for his 33 points and also managing to score the much sought after MITM prize!

A bottle to celebrate the win and to drown the sorrows

The Rules of Bedroom Golf

1. Each player shall furnish his own equipment - normally one club and two balls.
2. Play on a course must be approved by the owner of the hole.
3. Unlike outdoor golf, the object is to get the club in the hole and keep the balls out of the hole.
4. For most effective play, the club should have a firm shaft. Course owners are permitted to check shaft stiffness before play begins.
5. Course owners reserve the right to restrict the length of the club to avoid damage to the hole.
6. The object of the game is to take as many strokes as necessary until the course owner is satisfied that play is complete. Failure to do so may result in being denied permission to play the course again.
7. It is considered bad form to begin playing the hole immediately upon arrival at the course. The experienced player will take time to admire the entire course, with special attention to well-formed bunkers.
8. Players are cautioned not to mention other courses they have played or are currently playing to the owner of the course being played. Upset course owners have been known to damage a player's equipment for this reason.
9. Players are encouraged to bring proper rain gear along, just in case.
10. Players should assure themselves that their match has been properly scheduled, particularly when a new course is being played for the first time. Previous players have been known to become irate if they discover someone else playing on what they consider to be a private course.
11. Players should not assume that the course is in shape for play at all times. Players are advised to be extremely tactful in this situation. More experienced players will find an alternate means of play when this occurs.
12. Players are advised to obtain the course owner's permission before attempting to play the back nine.
13. Slow play is encouraged; however, players should be prepared to proceed at a quicker pace, at least temporarily, at the course owner's request.
14. It is considered outstanding performance; time permitting, to play the same hole several times in one match.
