

The Lizards Golf Club

(FOUNDED 1946)

ANNUAL GENERAL MEETING - 23RD JUNE, 1976

Notice of motion moved by Peter Allen (the noted motion mover) and seconded by Gordon Donald:

"Following a request from Lance Try in December of 1975, your committee instituted a Lizardowlers format of membership on a trial basis for the months 12/75 to 4/76.

Attendance was spasmodic in those months, therefore, it is moved that Lizards who have, for many reasons, taken up bowls, be invited to specify a special Sunday during the forthcoming year as a special bowlers day at which bowlers will be invited to attend bowls at Avalon Bowling Club that day and later enjoy our hospitality at Lizards after the Golf Function. A special date will be struck by the incoming committee for bowlers on that day."
