

**ANNUAL GENERAL MEETING OF
THE LIZARDS GOLF CLUB**

TUESDAY JULY 9TH, 1996.

THE ORIGINS

A great habit among Manly men was to sunbake in the area above Manly Surf Life Saving Club. A big bunch of fellows was doing just this on the particular Saturday that gave birth to the Lizards.

One of the Sun-Absorbers was Bill Howard, later to become President and Life Member of the Manly Civic Club. Another regular sunbaker was then mine host of the Hotel Steyne, Leon List.

Leon had a habit of spitting while taking in the sun and Bill Howard was terribly aware of this. He was also aware that the beer, terribly scarce in those days, was about to come on at the Steyne. He was soon headed for the Saloon Bar. (Yes, Bill used to drink beer in those days). While partaking of his lation for the day, Greta, dispenser, asked Bill if he had seen the Boss at the beach. "Yes" answered Bill. "He is down there spitting like a Lizard".

This remark was widely heard and by the time Leon List was back at work, it was all over the Steyne. Said one bloke to another: "Did you hear that Bill Howard called the Publican a Spitting Lizard?" The name was soon abbreviated to the Lizard and it stuck to him. Shortly afterwards, a few drinkers from the Steyne had a social game of golf, and they enjoyed it so much they decided to make the game a regular thing and to play every month.

A club was formed with Headquarters at the Steyne and the natural name for such an organisation was The Lizard Golf Club. With a Committee and proper organisation, Bill Howard was the first Patron.

And that was the beginning.

THE PRESIDENTS REPORT

It has been a pleasure and indeed a privilege to have been president of the Lizards Golf Club for this historic year.

The past fifty years have been a tribute to our founder, Leon List, and the members who, in the year of Leon's presidency, breathed the first life into the Club. One of these pioneers, Lance Try LM, president 1954 and 1963, is with us tonight. Congratulations Lance.

I have to thank the outgoing committee for their untiring effort. Lizards of this calibre have kept the club buoyant in the past - and will be paving the way in the future.

It must be kept in mind that keen visitors make good Lizards and good Lizards keep the life blood and good will flowing. It took more than 200 such converts to foster and maintain the Club comradeship for the period we are celebrating this evening.

Enjoy 1996-97 - and bring a visitor or two.

Bill Epps LM
President
