President's Report 2017/18

Dear Life Members and Fellow Lizards

What a magnificent 71st year of Lizards this was. I would like to say it was one of the best years regarding weather except for the Lemon Tree Passage weekend which was quite a washout.

I would like to thank everyone involved putting Lizards together every month, I know how much effort you all put in and I would like to let you know it was appreciated. I would like to mention all your names but frankly I couldn't be bothered - you know who you are.

Nothing of significance happened this year however we did bring in three new members to join lizards. We also had two hole in ones in one day!! And you only managed to steal the Lizard off me three times so bad luck. We also had a phantom shitter on the course which was quite amusing except for Keith the Wild thing McDonald who had the phantom in his cart. The fines this year on the course were quite creative and always makes it lots of fun and often hard for me to get the words out without bursting into laughter.

If anything numbers were generally down this year both on weekends away and regular Lizard monthly golf days. The appearance of as many lizards as possible at each meet is imperative to the survival of the Lizards that we all love so bring along a visitor or two.

Thank you Lizards for your support throughout the year and not giving me too much stick and good luck to Robert the Dentist O'Brien in 2018-2019.

All the best and good luck for the next year.

Kyle Trump Wilson

Treasurer’s Report 2017/18

My Fellow Lizards,

Once again it’s been a most enjoyable Lizards season with no washouts, thunder storms, floods etc this I accredited to our President “Kyle Trump”, who also is a none believer in mythical Climate Change hoax.

Unfortunately I have to report another operating loss for the year of **-\$811.95** which can only be attributed to below average attendances and costs of running the club; however that’s a debate for another time and President.

No thanks to the assistant Treasurer Michael Morgan as he didn’t have to fill the breach during the year in my absence, and thank you to the Lizard Committee for their excellent work in making the club a success that it is.

This leaves me to present the Financial Statement for the end 2017/18.
