President's Report 2020/21

It has been an honour and a privilege for me to have been the President of the Lizards Golf Club during its 75th year and I thank the members for the opportunity to do so. There have been difficult conditions for our club to operate during this year with some days cancelled outright or run under varying restrictions of all types. There have also been a few dodgy days weather wise but the less said about that the better!

Regardless of what we have faced on the third Sunday of the month the members and their visitors have turned up keen to play and catch up with their fellow Lizards. Thank you to the official committee that run the show who once again have done a great job. The other members that do general monthly tasks to assist should also be recognised. We thank our trophy donors, various caterers, the course operators and finally everyone else that chips in when we clean up our site at the end of the day.

Despite the restrictions we were able to have our trips to Port Stephens and Jamberoo which was a great opportunity for the Lizards to get away and have a break from the issues at home. Thanks to PK for his efforts organising these events.

Congratulations to the winners of the major trophies which are highlighted in this report, again provided by Chris Mooney. I must also specifically thank non playing member Manfred for the work unseen in the background that helps Michael provide the detail of the scoring, or the lack of, that is presented here.

We have had a few occasions when we have been able to reflect and celebrate the seventy-five year history of our club, it is indeed an achievement for any social golf club, let alone one that does not enjoy the benefit of a licensed sponsor. The 60-page book that details The Lizards history is now complete and it is waiting to be printed, thanks to the book committee for their writing and research.

The club has marched on through what has been a trying time for all but with things settling down again we can look forward to better golf days ahead, so don't forget to bring a visitor or two. And "that it never rains on Lizards Day".

regards

Garry Bird LM
(President)

Treasurer's Report 2020/21

My Fellow Lizards,

It's been another challenging season with November and April seeing no play due to Covid restrictions, however this hasn't affected our bottom line with good support from members and visitors.

I am happy to report a small profit of \$163.21 bringing our total in the Bank of Tiltins to \$1352.31.

Also a special thanks to my assistant treasurer Michael Morgan for his assistance through the year in my absents, and our Lizards office bearers for their contribution in the smooth running of the club.

And as no one reads this report that's all I have to say! Good golfing for the new season.
