

2025 Annual General Meeting

NOTES

President's Report 2024/25

Dear fellow Lizards,

I'm writing this slowly because I know you can't read fast. As I come to the end of my presidency, I reflect back on the highs and highs as there are no lows when you're playing with the Lizards! Except maybe when Ivan the terrible drives one of his 10 luxury cars and parks in front of our no-frills Barbie! Haha!

My goal with the presidency was to make Lizards great again but a few life members pointed out that it was already great and that I could stick that idea where the sun don't shine. Now, now life members!

Thank you to all the committee for all your hard work over the year! You make Lizards that special time of the month where we all remember that Golf is actually about drinking beer and who can tell the funniest jokes! A special mention to Manfred who set up our computerised scoring system and all the other jobs he did unconditionally, you will be sorely missed, cheers to you!

The special highlights for me were Pete Murphy (no he's not Irish) bringing a fridge to the Lizards, to help with our first class catering! The second one was the trip to Calderwood – golf in Paradise - and having a yarn with the boys while we have a beer or two!

Congrats Sean on your well-received vice presidency! He's been waiting in the wings, contemplating on whether he should do this job with a VB or two or three or 400! I have a feeling he is a diamond in the rough and maybe our best president ever, if his power drives are anything to go by!

Well done to Ric – vice president – one of the Italian stallions – who played his best round ever at Calderwood and won with 48 points! But he did fail to give a urine sample! I think this shows he is ready to be the next president to take us forward into the future! All hail president Rick! Remember President you don't have to make Lizards great again because it's already great!

Treasurer’s Report 2024/25

NOTES

My Fellow Lizards,

Unfortunately, I don’t have much good news to report this financial year 24/25 playing season with our finance situation looking more like my TAB account more red then black!

Numbers have been reasonable but not sufficient to make a small profit or break even on the day, generally we need 20 plus players for a good result. Beer and Catering costs are up slightly from last year, so I will continue to monitor out expenses best I can, at this stage I don’t foresee an Increase in our Fee of \$80.

Thank you to the usual committee culprits, that make our day more enjoyable, Pete the Master Chef, Michael the Handicapper (LM), PK for Dobbing Duties, the Dentist for our FOL, Brian the Beer Man (LM), Chris M (LM) and Gary B (LM) Also, a special thank you to Rick Raso for organising our new Polo shirts! Anyway look forward to playing against you all in the new season.

See below the monthly accounts.
