

DES MACQUIRE TROPHY TODAY.....NEW RULES ON LOAN OF THE LIZARDS PLANT.....
BEAUT FEEDING ARRANGEMENTS.....NEAREST THE PIN COMPETITION..AND FUN.....

WANT TO BORROW THE LIZARDS
BEER PLANT? GO AHEAD!

A Committee decision this week is that, in future, the Lizards' beer plant will be loaned only to members for their own use.

The only exception will be an application to the President, Plant Engineer or Secretary.

The reason for this is to ensure that the member's property is in their control.

NEW MEMBER ELECTED

Newest member is Kevin Elvy, who has filled the only vacancy.

Kevin has been a most consistent visitor for many months and by lack of skill and sheer good fellowship, looks like being a typical member.

Keg. replaces Ray Springfellow who will be a welcome visitor from now on.

FRANK POWELL HAS BEEN INVITED TO
BE OUR CLUB PROFESSIONAL.....
(Acting, Unpaid)

One of the best golfers in the history of Manly-Warringah, and the teacher of Ossie Pickworth, has been invited by our President to become the Lizards' professional.

He is Frank Powell, who was caddy master, club maker, & friend of golfers at Manly Golf Club for 37 years at least.

Frank has been invited to run golf clinics for members who want to pick up some tips. Said Bob Griffiths, a good golfer: "If Frank comes along I'll try to learn as much as I can."

Frank is now retired and is very modest about his golf ability, but is a great player who will appreciate any request from a member to iron out a problem.

If Frank accepts the invitation, don't hesitate to ask him what's what with your game.

You won't find a nicer guy anywhere.

TODAY'S CONDITIONS:

Ground hard; greens variable.

IT'S DES MACQUIRE TROPHY DAY
AGAIN; THIS IS THE SEVENTH YEAR OF
THIS IMPORTANT EVENT

The second nine today will be a 2-stick event for the annual Des MacGuire trophy.

This means exactly what it says: You take only two sticks on your second round. The normal Lizards and visitors' trophy will be awarded on the first nine.

The Des MacQ. thing will be presented after the 18 holes.

The tote will operate on the first nine. This will annoy George Russell, who has won the Des MacG. trophy for the past two years. George, as you know, is Director of Totes.

IT'S SMORGASBORD

The catering today will be a Smorgasbord, which was so popular in November.

Chef. is Don Vollus.
