

LIZARDS GOLF CLUB, AVALON

SEPTEMBER 15th, 1968.

Good morning Lizards and visitors, and welcome to our September monthly meeting. Today's events will be individual Stableford with nearest the pin trophies on the 1st and 17th holes and, in addition, the "Gordon Donald Trophy" will be won today. As announced last week the best 16 Stableford scores today (with handicap), will qualify for the knock out competition.

The results of our August Lizards Day were:

First: Jim Howe (60) 43 points on count back
Second: Wal Reynolds (Senr) (36) 43 points
Third: John Atkins (21) 42 points

Visitors Trophy won by J.McMeechan (17) 46 points
Second: J.Kennedy (26) 41 points

Nearest the pin at the 4th: Kevin Elvey
Nearest the pin at the 10th: Les Garlich

Lance Try's Secret Nine Trophy won by John Atkins with 26 points
The Bradman Trophy was won by President John Tilley (20) with 24 points on a countback.

The day was attended by 31 players including 10 visitors.

QUESTION TIME. (Winners have a choice of Old or New).

Name the Lizard who was keeping company with a Lady Policewoman and was given 6 months for laying down the law.

Name the Lizard (B.S.) who is reported to be unable to crack an egg - his fried eggs turn out more like scrambled eggs.

Name the Lizard (W.R.) who subsidised Wally Jnr. for his Annual Fees to the amount of 1 cent. Some kids never get off the Old Lizard's back.

Name the Lizard (E.M.) whose installation of the Plant Equipment was such that the Secretary/Treasurer and Captain/Handicapper and their partners were unable to get a beer - not even one with four straws. This does nothing to improve anyone's handicap.

Name the Lizard (L.T.) who arrived late for our August meeting and who during lunchtime explained in vivid detail how his plumber had instructed him to clean out a blocked sewer that morning.

Who was the Lizard (M.L.) who was seen lighting a fire under the President?

NEWS IN A SHORT PANT:

Lizards are reminded that Ladies Night has been set down for Saturday 26th October at the Manly Civic Club. Cocktails will be served at 7.0 pm. and dinner at 7.30 p.m. The cost per head will be \$3.00 or \$6.00 per double including an excellent menu and drinks. Make a note in your diary and tell your good ladies today as this Luncheon is THE FUNCTION OF THE YEAR.

Some Fellows have still not paid their Annual Subscription of \$3.10. These fees are now overdue and must be paid to ensure continuation of membership. Please pay Arthur Levy today or post your cheque to him at 11 Alma St. Clontarf.

Applications are now open for the L.S.D.Club (Lizards Slow Drinkers' Club) and you will notice that McClellan Place and Try Terrace are now clearly sign-posted for the benefit of new members and visitors.

Various reports have been submitted to your Editor regarding (1) a bottle of Old Soldiers Rum being found on the 5th last month. (2) Lizards J.H., G.R., and J.R. having been fined 10 cents for consuming alcoholic beverage on the course. (3) Golfers with the initials J.H., G.R., and J.R., breaking all rules of golf by allowing a single player to go through on the 5th. In an exclusive interview for Flat-out-like, Director of Civic Club, Jim Howe, on the subject of intoxicating liquor had the following remarks to make in an official statement. "Alcohol, and particularly Rum" he said,

- (a) Rests the nerves
- (b) Gives one confidence
- (c) Reduces fatigue
- (d) Improves eyesight
- (e) Golf ? Who won the darn Competition anyway? "

Last month, Jim Howe, who seemed to hit the headlines rather severely, resigned from the position of President of the Airys Club. His resignation was not accepted in view of his long standing membership. Handicapper Paul Hennessy is confident that Jim will remain a staunch supporter of the Airys Club.

It was overheard last month that a certain Lizard (surely we're not talking about HIM again) got into trouble with his wife for trying to get the keg upstairs. When his wife remarked that she couldn't see the keg, he replied "Of course not! I've drunk it".

In accordance with a Board Resolution a ballot was held last month on the merits and demerits of two items, Old and New Beer. The results of the Secret Ballot were announced as 8 for Old Beer, 7 for New Beer, 6 for Old Soldiers Rum. This vote of confidence in your Executive's Decisions is most stimulating and on behalf of your Board, thank you, Fellow Members. The two ballot Scrutineers are due to be released from Manly Police Station any day now.

TIPS FOR TODAY'S TOTE

Your Captain Handicapper has been persuaded to give you some inside information and recommends a 20c bet on each of the following players
(1) Matt Little (2) Charles Park (3) NOT Jim Howe
His tips to date have been completely accurate, so speculate and you may accumulate.

The menu for today is barbecued steak, sausages, eggs, onions for lunch with choice smorgasbord for morning tea break...at a cut rate cost price of \$3.00 per head.

It is recorded in the minutes that our cash balance now stands at \$250 proving that Treasurer Arthur has returned safely from Surfers with the Club Bank Book intact.

WAITING LIST. Should any of your friends wish to join the Lizards Golf Club, your Committee will be pleased to receive their preliminary applications and their names will be placed on the waiting list. Until there is a vacancy, your friends are most welcome to attend as Visitors.

A special feature of our Ladies Night on 26/10/68 will be the presentation of the Trophies donated by Lance Tryj Gordon Donald, Les Atkins and Paul Hennessy.

At your last Directors' Meeting President John (F) Tilley ruled that the FLAT OUT LIKE EDITOR may use the word "alleged" to avoid any libel and/or slander suits. Your Editor had a meeting with some 22 Manly Warringah Solicitors last Wednesday evening and they allege that they are prepared to act for the alleged Bulletin Editor in an alleged Honorary capacity in the event of any alleged golfers taking any alleged umbrage at any alleged true facts printed during the year.

All alleged golfers, PLEASE NOTE.

She was only a radio operator's daughter, but she didn't have the remotest control.

Once upon a time there was a Sultan who kept his harem of 100 beautiful wives 3 miles from where he lived. Every day he sent his manservant to get one of the wives. The Sultan lived to be 88, but the manservant died when he was only 30. The moral of this story is: It's not the women who kill you, but the running after them.

Happy Golfing Customers.....

CHARLES PARK.
