

GREETINGS to all you gorgeous little klottischklucken-hens together with all those two big KKH's, namely the C.H. and the baggage man.

We have known for some considerable time the true worth of the C.H. but we only learned last month of the gross incompetence, the utter ineptitude, the callous indifference of our so-called Baggage Man in leaving one of our kegs at the Freezers.

It is suggested that if he wishes to redeem himself, he should donate a trophy to be known as "The Frustrated Trophy" because that is what Lance was. If the Baggage Man accepts this suggestion, then nothing more will be said.

Predicted Weather. It is hoped that you have wet weather gear today, because the end of the drought is forecast - it's understood that all the kegs will be delivered.

TODAY'S EVENT. Today is the Gordon Donald Day. It is believed that Gordon is donating a pair of floor polisher's knee pads and also, for good measure, a slightly used floor polisher. I'm told she can also cook!

Other trophies will be given by Ugh McPhew, Pontius Pilate Ross and Mr. Sheen Treharne, the original skin-head. NEAREST THE PINS ON 4th and 8th.

LAST MONTH'S RESULTS. Life Members' Day.

The Lance Try Secret Nine... Geoff Quinlan 21 points.

Lizards. 1st Kev. Lawler 39 pts. off 29.
2nd Geoff Quinlan 39 pts off 24
3rd Bob Griffith 38 pts off 9.

No comment will be made on the first and second until later, As regards the third, it is interesting to note that he bettered his handicap by 2 points. Any decent handicapper would dock his handicap. Let's see.

Visitors. 1st L. Rowie.. 48 off 30
2nd J. Fawkes 42 off 30.

Nearest the Pins. 4th.. S. West. 18th. J. Allen.

Bradman. "Raffles" 22 off 18.

Airies. Included in the numerous airies were Geoff Quinlan, the day's winner, and Kev. Lawler, the Lizards' winner. It is wondered whether either of these airy nits realise that an airy counts as a stroke.

POINTS OF INTEREST. The qualifying rounds for the KnockOut competition start today. They will continue in October and December. The best cards of 16 players will qualify for the competition starting in January.

LADIES NIGHT. This worth-going-to night is on Saturday, 10th October and will be held at the Manly Civic Club. Cocktails will be served (by courtesy of the Civic Club) at 6.30p.m. and dinner at 7p.m. (we've got to pay for this !)

LADIES NIGHT (Cont'd). During the dinner and after there will be many speeches; but to compensate for this, drinks will be served to act as euphoria.

For the benefit of all you uneducated, ignorant idiots amongst you, it must be pointed out that you can get pleasantly and blindly drunk whilst listening to the interminable speeches. The exorbitant cost of this boring function is \$3.00 per head. To make the numbers up, we invite any visitors to the Lizards and their ladies. If you must come, please make your booking today (preferably with payment). **BOOKINGS WILL CLOSE ON OCTOBER 5.**

NOTE THIS WELL. It has been suggested that you watch your fixture cards so that you know when it's your turn for a trophy. Some of you suggested that the Hon Ed. should publish reminders each month. The Hon. Ed. would like to point out that he has more important things to do than act as nursemaid to a load of adolescent apes. Get !

NOTE ALSO THIS WELL. Your committee wants to point out that sponsors of new members can only nominate such new prospective members if they themselves have been Lizards for two years or more. Further, consideration for membership will only be given if the applicant has visited us at least three times.

The Captain Handicapper, bless his little mean soul, has asked that the following incoherent message be published: Now, most of you, if not all, are just stupidly normal, you haven't got the twisted mentality that he has, so you won't probably understand it. That's too Bad. Get !
