Question.....What is the difference between a Golf Course
and a Golf Links?

Answer.....A Golf Link is surrounded on three sides by water.
All the others are Golf Courses. By the way
there are only two Golf Links in Sydney. They
are Long Reef and Royal N.S.W. Golf Links at
La Perouse.

DID YOU NOTICE.....Vistors bringing visitors. Tut tut.
According to Hoyle (Past President) a visitor must be invited
by a member and etiquette demands that a member must play with
his guests.

because I'm sick of running this country on my own!

MEANTIME BACK AT THE FARM.....

If you haven't paid your dues what's holding you back.
Captain Handicaper is going to attach a slip to your score
card. This is so you can check yourself against the Eclectic
Board and mark the holes you have improved on.

AS A GAME, golf has exported remarkably well from its Native Scotland, but its terminology hasn't. The Germans, for example, seem to have made it even more difficult than the game:

Here's how;

Golf Course: Hittenhuntenfield.
Golf Clubs: Hittenhuntenfieldschwipensticks.
Golfer: Hittenhuntenfielderwipenstickerswinger.
Golf Clubhouse: Hittenhuntenfielderschwipenschsticker-
swingerstartenstoppenplatzdrinkenspot.
Golf Widow: Hittenhuntenfielderfrau.
Golf Bag: Hittenhuntenfielderschwipenstickerfrau.
Unfortunately the 19th hole is unprintable.
