to worry about. But, if you are sick, there are two things to worry
about. Either you will get well or you will die. If you get there
is nothing to worry about. If you die there are only two things to
worry about - either you will go to heaven or hell. If you go to heaven
there is nothing to worry about. But, if you go to hell, you'll be so
damn busy shaking hands with friends, you won't have to worry!

CONUNDRUM.....

Your car has broken down.

NRMA arrives & after inspection it is decided that the broken down vehicle must tow the NRMA vehicle to the nearest repair Depot.

What is the nature of the breakdown?

Answer to conundrum in next month's issue.

JOKE.....Donkey & cart making delivery to factory. Donkey's ears are too big - keep hitting overhead RSJs. Foreman says to apprentice "Get a hacksaw & cut out 2 slots in the RSJs!" A passerby says to apprentice "What are you doing that for". The apprentice explains. The passerby says "Why don't you get a shovel & scoop out 6" of soil. Good idea says apprentice, much easier. Foreman comes back & asks apprentice "What are you doing that for". The apprentice explains that this way is easier & quicker. Foreman exclaims...You dim clot!! It's his ears that are too long not his legs.

ANOTHER JOKE....Foreman tells two Irish labourers to dig a hole, stand the telegraph pole in it & cement it in.

Foreman..."Pat climb the pole & measure the height".

Pat....."We should have measured it while it was on the ground."

Foreman..."Don't be a twit, it's the height I want to know not the lenght".

END OF JOKES.
