JOURNAL OF THE LIZARDS' GOLF CLUB

SEPTEMBER 1972
Issue No. 84.

Being September, It's only fitting to commence by offering the golfer's seasonal lame~~nd~~:

"Spring is here, the sap is ris,
I wonder ~~where~~ the birdies is!"

Let's hope we all find a few today, which is Gordon Donald Day. Our Presso has nominated that his trophy be awarded to the winner of a secret nine holes known only to himself.

Nearest-the-Pins are on the 1st and 17th.

LAST MONTH'S RESULTS

2nd BILL SHEEHAN " 36 " " 22

In a closely contested battle Lizards, despite protests, recounts and veiled suggestions of rigging, managed to hold off the Manly 16FT Skiff Club by 555pts to 551 to gain the honour of holding the magnificent water jug trophy for the first year. The jug, suitably inscribed, can be found at the bar of the Civic Club.

TOTE OPERATES TODAY

A totalisator under the guidance of GEORGE ("RAILS") RUSSELL is in operation. Bet on your favourite playing member--a limit of 20cents on any one player by the one better with no limit on the number of players you can bet on. Proceeds to the Club, not George.

BEST NINES

Best scores on the 1st and 2nd nines will win prizes again today. Also the progressive score board, previously used only on special days will now become standard procedure.

WATCH THOSE LIZARD TOKENS!

Just in case you haven't been caught yet, a word or warning. Certain unscrupulous members whom we shall only refer to as LANCE TRY, BILL SHEEHAN, JOCK ROSS, ROYLE JENKIN, BILL EPPS, PAUL HENNESSY and other are on the rampage, pouncing on unwary and careless Lizards not in possession of their tokens. Among those recently caught were JOE FAWKNER who paid up for 13 middies and at last count had 11 more to buy and BILL SMITH who lost his at the Bankstown golf meeting.

BITS & PIECES

GEORGE LOBB--firm favourite for the paddle this year. And what is show-off he is. Had his name inscribed on his golf balls. Almost as bad as DAVE TREHARNE who we understand uses pink ones now.

(2)

The lady who sunbakes on the pool-surround adjacent to the 3rd fairway has asked us to tell GEOFF QUINLAN he can start slicing them over that way again now the warm weather's started. She's got a new bikini just for you Geoff!

FRED PORTER is the new licensee of the Manly Skiff Club with a big allowance for on-the-house beer we are told. Thanks, Fred, see you soon.

LADIES NIGHT

Dont' forget October 21st. If you haven't done so, book with Bill Epps. Bring your visitors along to this great night.
