

Tom Beer and Sonny West Day

Today's a special one in memory of two Lizards missing from our ranks so spare a thought for Tom & Sonny -- good men who left us much too early.

It's special again in that the year's only 4BBB is on with Life Members George Russell and Lance Try donating trophies for a secret nine apart from the club prizes. A lot of cunning pairing-off has been going on behind the scenes so be prepared for some high scoring.

Nearest the pins will be on the same old holes--1st and 17th.

Last month was memorable for JIM HOWE -- he lost his throne as King of the Airies to JOHN SALKELD who notched up 17 of the blighters. We'll see today what John's like as a choir-conductor.

WHERE ARE YOUR LIZITORS?

Only six guests turned up in September--lowest number for 31 meetings. They are an important part of our get-togethers, so what about making November a 19th "BRING A VISITOR" day?

MARKING CARDS

Being a 4-Ball, it will help the Captain-handicapper and his offsider young GEORGE RUSSELL if cards are marked according to specimens on display on the noticeboard. Also to keep the ecclectic up to date special yellow cards are to be filled in with each players stroke score for each hole.

TOTE POSTPONED

Because of the nature of today's match the totalisator will not operate until November.

COMING AND GOING

The Fairy Queen is now available to turn good blokes into Lizards if they so desire. Nomination forms available at your nearest butcher shop or garbage bin. Dont' forget the blood.

At the other end of the scale a gentle reminder to those not-so-frequent attenders. The Constitution states: "should any members of the club absent himself from three (3) consecutive golf meetings, without a reasonable excuse, he may be asked to resign."

LADIES NIGHT

Next Saturday at the Civic Club. Pay up today and confirm your bookings with BILL EPPS. That Sexy Mary Jane Boyd will be on stage so don't miss what promises to be a terrific night.

PAY UP!

Members who have not paid their annual subs will be listed in next month's Flat Out Like, so there.

MYSTERY OF THE MONTH

Why wasn't FRED PORTER in the picture when Miss Australia in the flesh inspected Freds' 16ft skiff of the same name?
