FUN WITH THE SKIFFOS! Anyone who didn't go to the invitation day at the Manly 16ft Skiff Sailing Club last Sunday & missed out on a great day of sailing and riding around the harbour on the Simmo. I say this because only 12 Lizards turned up, a poor showing considering the trouble Fred Porter and the other members of the Skiff Club went to in making the day possible. Let's try to do better if they have us again.

In the skiff race Bill Sheehan's boat Atlanta, skippered by I. Barrett took line honours with Geoff Wotton in Blue Fin second and Gordon Donald posted in Rath running a whistle behind in third place. Royle Jenkin was on their heels in Fred Porter's boat Miss Australia in fourth place and Eric MacNeenan holding the painter decorated the fifth boat Tashina as it slid into fifth and last place.

All who were there will thank Dave Treherne for his wonderful hospitality on the Simmo and the Skiff Club for putting on such a wonderful day for the Lizards and their Families.

WELL I'LL BE STUMPED! After a lot of confusion on the locale of the match the Lizards eventually played the Civic Club at the honourable game of cricket at the end of February. Seven Lizards and eight Civic Club members arrived and amalgamated with a Time & Tide hotel side who had been stood up by a Leagues Club Team. Immaculate in their creams, it's a wonder the Time & Tide team even spoke to our motley mob who couldn't sport a pair of cricket boots between the lot of them. Anyhow, the Lizards were all set for a win on the field with a total of 125 and the Civics eight out for 117, when rain quenched play. In the following argument about whether it was a win for the Lizards or a draw the umpire (our Pressie Gordon) was incapable of giving a coherent decision so there the matter rests.

PERSONAL PARS: GEORGE RUSSELL has taken up a very active interest in the Manly Drug Referral Centre (as a fixer not a fixee) and so will not be attending Lizards as much as previously.

GEOFF QUINLAN has departed for Perth, Singapore, Madagascar, and Teheran. Likely to be back sometime in 1975.

BILL EPPS is suffering at Port Stephens for several weeks so Paul Hennessy is helping out today as Sacco.

FROM THE PAST: Browsing through some old FLAT OUT LIKE issues, these items appeared: LES GARLICK complained about a young female playing around the course in a red bikini; said it cost him five golf strikes and a near physical one.

In 1965 members of the airies brigade had to have a paper collar around their drinking glasses on the day, inscribed "I have had an airey".

Lizards were warned by the caterer that no longer would ~~he~~ allow contamination of the barbecue hotplate by members who brought along for cooking kangaroo tails, shark fins, turtle hoofs, kippers, camel livers, red herrings and ass jawbones.

JIM HOWE set a world record with 36 strokes on the 12th at Long Reef during the Civic's annual day.

GOOD GOLFING.
