

GREETINGS, Lizards and their Guests, on this beautiful golf day.

TODAY'S play is Stableford for the Erky MacMeechan and the Donald Duck Trophies.

My spies have told me that one prize will consist of a very small bottle of Magic Murky MacMeechan's Miraculous Mixture for cleaning things which are not dirty. The other is a pair of Donald's Disorderly Do-it-Yourself kits.

I might be wrong !

The Nearest the Pins are, as you may guess, the 1st. and the 17th. There is also the Long Drive on the 16th.

As it appears that this is becoming a regular event, your Editor has decided to compete with you long hitters.

He has, therefore, as you know, innumerable talents and advantages over you mentally handicapped moronic bastards. Hidden amongst these delights is inventiveness. He has invented a new club head. It is based on the Ramset (Patent applied for).

Boy, when he hits that ball it'll go (If he hits it)

#### LAST MONTH'S RESULTS.

The Dave Treharne Trophy on a Secret Nine - Lori Laidlaw - he must have known which holes had been chosen - bribery ?

Long Drive.. Steve Summers. (Lazy had better improve).

#### THE A.G.M.

Calamity, calamity, loads of woe,  
Never has Lizards sunk so low.  
The few intelligent of youse mob  
Will no doubt begin to sob,  
Tho' he has no other claim to fame  
The rest will greet him with mighty acclaim.

#### UP THE PRES.

(Enough of him)

The new C.H. is known far and wide to be a prodigious drinker of schooners.

It is believed that he has resolved not to spend as much money on the filthy stuff.

If anyone buys him a schooner a week the donor will be regarded as a true friend.

Anybody buying him a schooner a day will receive one stroke for one meeting.

The donation of a keg will be a sort of season ticket for 3 strokes for the rest of the season.

The new Sec. Treas. will have to be closely watched to see that he doesn't recklessly gamble our money away on his bloody dogs.. Remember Huxley ?

The most important new committee-man mentioned so far is the Best and Biggest Brain. If his cooking matches his eloquence we will have a Bumper year.

The Baggage Man is Paul Gaze. Nothing will be written about him because he looks to be dangerously violent.

The perennial keg basher, Lance Try, is a good friend of all publicans. He can show them how to get the mightiest head on a glass.

The Ed. He is a most lovable man and a modest one. He always writes the truth.

He will endeavour at all times to help you ignorant clots to understand the finer points of golf.

JIM HOWE.
