

Greetings to you pea-brained Slob Mob and to our gentle guests who are invariably intelligent and well-behaved gentlemen, until they become Lizards, when they come out of their cocoons. Unfortunately the cocoon contains the brain structure.

In other words they become like most other Lizards.

The reason I make these remarks is that over the Holiday period I have had time to meditate and mentally dissect each one of you.

I came to the conclusion that out of the lot of you, only two Lizards could be classed as being stable, civilized and intelligent Men. One of these of course, is your Beloved Editor.

Anybody who voices objection, will of course, immediately place himself with the majority (how better to stifle criticism).

Having said my piece, down to business!

Today's prize(s) is/are the Bill Smith Double Surprise Event.

My spies tell me that the trophies are one Lady Greyhound pup and one Gentleman ditto sired by Bright Income.

Having backed Bright Income twice unsuccessfully, I know why Bill wants to get rid of them.

The nearest the pins are the 1st & 17th. With the longest drive the 7th or 16th.

POINTS OF INTEREST

- (1) Your Committee wishes me to point out that any Lizard who is absent for three consecutive meetings without a valid reason, could be, by the Rules, outed. So dont you Idiots place your membership of the best club in Australia in jeopardy.

- (2) On 17 March will be held the Father & son Day. Entrants can also be Grandfathers - Grandsons, Great Grandfathers, Fathers-in-Law.

Mothers-in-Law would have been most welcome, except that Ladies are not allowed.

So form your team and show how good your family is.

- (3) At a date to be fixed the annual Cricket Match between the Lizards and the Civic Club Cricket team will be held. You younger Lizards are expecially invited to this Grudge Match.

- (4) The Guinness Book of Records says that the most number of holes played in 24 hours was by Ian Colston. He played 22 rounds and 5 holes (401 holes) at Bendigo Golf Club (6061 yds) in 1971.

He covered more than 100 miles in 23½ hours. I would suggest that he be invited to join the Lizards. He's got the qualifications. He's mad too!

- (5) I chose a wood to hit off tee
Glory would cover shot by me
When I hit with all my might
Was sure the ball would go out of sight
Went out of sight, sure enough
Right into the Bloody Rough!

- (6) Our Grand New Exciting Competition.

You will all, no doubt, be cogitating (this means thinking) as to who the Other One, your most Elevated, Esteemed and Excellent Editor considers to measure up to his very high standards.

The Lizard who submits the best essay of between 10,000 to 15,000 words astto why he has all the Virtues to measure up to your M E E E Ed's Standards will receive the Grand Prize of a Single Ticket to Antarctica or Siberia. Winners Choice.

Editors decision will be final.

I hope you win.

Your M E E E & Most Beloved & Most Modest
