"FLAT OUT LIKE" ---

Welcome to another Lizards Day which is the Eric McMeechan and Royle Jenkin's day.

For a change the Competition will be decided on Stableford points, nearest the pin will be the 1st and 17th and the 2nd shot nearest the pin on the second hole.

Your Committee advise that the Annual Subscription is now due and the Secretary/Treasurer will be happy to accommodate you at any time. Dues are \$2.10 plus \$3.00 trophy levy for members, \$2.00 plus \$3.00 trophy levy for country members. Members attending the Annual General Meeting will be aware that the cost of the day has had to be increased to \$5.00 members and \$6.00 visitors.

JUNE MEETING RESULTS.

23 Lizards and 2 visitors attended in conditions which can conservatively be described as wet and sloppy; due to conditions the Competition was reduced to a nine hole event with the annual match against St. Augustines being won by the Lizards on default.

NOTED AT THE ANNUAL GENERAL MEETING

1. The pregnant pause in proceedings when some misguided idiot (and a very brave idiot at that) proposed an alternative name for the position of Plant Engineer.
2. Bill Townsend making his victory speech and sounding like Harold Wilson asking the British Parliament for a vote of confidence.

3. Paul Hennessy (henceforth known as the Dublin Dobber) proposing everybody for Lizard Committee work on the assumption that if they were doing it he wasn't.
4. Ron Hathaway writing up 3 new insurance policys during the Dinner, 2 of them between mouthfulls.
5. That the Civic Club Stale Voice Choir struck again.
More to come - nobody is immune in this mob.

I am assured that the following is true!

A well known Lizard, one of the younger fraternity I might add, conned one of his female staff to go with him to see Bedroom Mazurka and The Perfumed Garden at the Warriewood Drive in, being a devious, methodical and optimistic type he planned his campaign to the extent of applying lead pencil to the zipper of his slacks for ease of operation.

The said female did not turn up and our hero, having his golf ~~clubs~~ ^{CHUBS} in the car decided to knock out his frustrations on the Warriewood Driving Range.

He forgot all about the sensitive zipper and slammed a four iron off the ~~tee~~ ^{tee} and down came the zipper with dire consequences.

He now practices at the Gordon driving range - wearing dark glasses. It could only happen to a Lizard whose name by the way will not-repeat not - be revealed.

The Poay Express Rides again

We Reproduce this epoch making picture of posite?
(what's a posite?) Gordon Donald stripping the G.P.O out
of its usual state.

We are not sure whether Gordon's smile is one of
happiness or whether it is the diabolical government
issue which the G.P.O give to the mail workers to
wear when they are feeding your mail into
the Shredding machine at Redfern P.O.

Back on the mail run!

It was D-for-Delivery Day yesterday when district postmen, with their counterparts throughout Sydney, returned to work after taking part in a series of rolling strikes by postal unions.

The postmen are scheduled to be on duty again today, Thursday and Friday.

But a lot depends on the outcome of a meeting today at which NSW postal workers are expected to vote on a wage

increase offer and a return to normal work.

Another possibility is that the telegram service will be delayed today because of an industrial stoppage by members of the APWU, affecting telegram staff and some counter staff.

In the meantime, a welcome sight in Pitt water Road, Mmily, yesterday was back on the job posite, Gordon Donald.
