"FLAT OUT LIKE" ---

Here we go again for another good old Lizards' Day which today is for the Brian Osborne and Laurie Laidlaw day.

Nearest to the Pins will be on the 1st and 13th Holes with the second shot on the 2nd Hole also qualifying for a prize if you get it nearest the pin, and a bit of a shock if you hit the green.

JULY MEETING RESULTS

25 Lizards and 5 visitors attended the meeting in excellent conditions for golf with a fair wind to make it interesting.

Jock Ross welcomed the visitors with consistent winner A. Meddings responding.

SPECIAL MENTION

George Bird with an eagle 2 on the 5th Hole, a 2 a 5 pointer "Gorblime".

BRADMAN TROPHY

With 20 points off a handicap of 12, Bill Townsend.

He had his good day on the Monday previous to the meeting and was evidently still in a state of shock.

Today is the annual match between the Lizards and the Manly Sailors. This gives Billy Shean a chance to get his own back as he is a better golfer than he is a sailor; at least he doesn't cripple himself at golf.

Welcome to the Sailors who are a great bunch of blokes.

CHANGING TIMES

Older members of the Lizards will no doubt have noticed changes during the last few years and your Editor feels that they should be publicised as a compliment to the various committees who have brought about such changes.

The following points of interest were noted during the July meeting:

1. Hot soup at the halfway mark.
2. Hors d'oeuvres handed round to members prior to presentation speeches.
3. Tables and chairs provided.
4. Specialised cooking equipment, property of the club.
5. Excellent meal provided.
6. Mobile beer keg conveyor.
7. Radio for listening to the Match of the Day.
8. Television for watching the Match of the Day.
9. Claret Bar with glasses and clean table cloth (courtesy of Bill Alexandar).

This is a far cry from the old days when:

- a. If you wanted to hear the Match of the Day you sat around Lance Try's car radio (on the grass).
- b. You brought your own steak.
- c. You collected wood for the barbecue fire on the last two holes - if you didn't, you didn't get the use of the fire to cook.
- d. You brought your own chair if you wanted to sit down.

However, one thing remains common to both eras and that's the type of members who are still a beerswilling, stirring, noisy, objectionable mob, except of course, the handicapper who is always a very nice, generous person and is very good to editors.

... 3.

PERSONAL PARS.

1. Noted Bob Hoffman and Bill Shean (plus advisers) erecting the tarpaulin windbreak at the July meeting.

They looked like the Southern Cross crew breaking sail in the America's Cup.

2. We hear that Jack Ewers took out the Veteran's Trophy at Manly Golf Club. This was despite his crook shoulder, bad back, sciatica in the left leg and a bad hangover.

They must have a very naive handicapper at Manly - it wouldn't work at Lizards.

3. Bill Alexandar doing a Joan Sutherland as leader of the Aries. (Wait till Jimmy Howe gets back with some Albert Hall experience under his belt).

4. They tell me that two Lizards have started a fishmongers business at the Dee Why pub. If you want any cheap fish no more than two weeks old see Snapper Osborne and Flat Head Laidlaw.

Finally, we are giving you plenty of warning - Ladies Night this year will be on 25th October, 1974 at the Manly Civic Club, details to be advised.

Don't forget, make it a good night by deciding now that you will be there - with friends.

Carry on knocking them up the middle.
