"FLAT OUT LIKE" ---

It's on again and today's Spring Competition is for the Printers Day, Roy Malm and Billy Townsend being the high men on the Totem Pole.

Nearest to the Pins will be the 1st and 19th with the second shot on the 2nd Hole being a further nearest the Pin.

AUGUST MEETING RESULTS

52 Lizards and 21 visitors attended the meeting. This I am informed is a near record attendance for a Lizard day.

If we keep this up the Caterer and Secretary will be applying for token salaries - and a fat lot of good it will do them!

Fred Porter welcomed the visitors with Peter Dunn responding on their behalf.

LIZARDS VERSUS SAILLO'S

Saillo's 352 points - Lizards 300 points.

Please note that the Handicapper is a well known member of the Saillo's and his handicapping for this match is considered to be a traitorous, ratbag effort.

PERSONAL PARS

1. We are advised of Norm Black's impending retirement from his position with the N.R.M.A.

Members can now look forward to great improvements within this organization.

2. Seen in the Civic Club was Roy Malm walking about with a handbag over his shoulder.

Roy said it was his wife's. What do you think?

VALE

We are sad to report the passing on of our friend Jimmy Howe.

Jimmy died in Rome whilst on his European tour and was interred at Northern Suberba Crematorium on the 3rd September, 1974.

He will be sadly missed and well remembered as a good Lizard.

GENERAL

It is brought to notice that nine members have not yet paid their annual subscriptions. This is worrying the hell out of the Secretary/Treasurer, who will deliver no further mail to the offenders until he cops the loot.

Again, don't forget the Ladies Night on the 25th October, 1974, at the Civic Club.

Even though it may appear to be early advertising, we would appreciate knowing your intentions.
