PERSONAL PARS

1. Lizard Jock Ross had the doubtful honour of bringing back Goff baby from his overseas junket. He was specifically requested to do a "bombs away" job over the Pacific but failed in his duty. Consequently he loses 4 Strokes from his handicap.
2. Dave Treharne is now back from his overseas trip. I hear he is very popular with the Pommies since he stood on the platform of an underground Railway giving money away, all wrapped up in a wallet to it was.
