'FLAT OUT LIKE' ---

Today's event is for the Life Members Trophy and will be a 4 Ball Best Ball event. All you high handicaps burglars will be very much sought after by the so called more accomplished performers. I am expecting to be off 29 and to be asked to partner Fearless Fred the Demon Handicapper. As a further reminder the March meeting will be a Father and Son event (or Son in Law) and has proved most popular in the past so roll up for this one. The January meeting was attended by 23 members, 1 Country member and 8 visitors on a beautiful striking hot day. Roy Malm welcomed the visitors and Jack Simpson responded on their behalf and for a change everyone knew what had been said.

PERSONAL PARS

1. Nice to see the return to the field of both Alistair Campbell and Geof Quinlan. However it does make one wonder whether the mention of the word Lizard in a foreign country results in the old "Heave ho and out you go".

2. In a desperate effort to win a lottery ticket from Fred Goose your editor imported a ring in from Albury Golf Club for the January meeting.
Needless to say it was a fizzer.
3. The same import (Dave Drury) then had the hide to say how much he enjoyed the day and how lucky I was to be associated with such a crowd of good blokes.
He must be out of his mind or they must be a right crowd of rat bags in Albury.

How to improve your Golf Score at Avalon by Lance Try

- A. You take only two clubs with you, an approach putter and a putter.
- B. On the first tee duff your shot with the approach putter and knock the ball 10 yards.
- C. Hit your second shot with the approach putter along the ground onto the green.
- D. Sink a 30 foot putt and take a three for 4 points - dead easy.

Green fees at Royal Avalon are going up to \$1.50 per round, we note that several Lizards are only carrying a few clubs these days in the hope that they will get a reduced rate for a part game - no such luck.

Here's one if you can stand it:

"A well known Lizard went to his doctor and told him that he was feeling run down, had no interest in life and had lost his sex urge.

Doctor says not to worry it's just exercise that you need, run 10 miles a day for the next week then let me know how you feel.

Lizard rang the Doctor a week later and told him he had run the 10 miles a day as ordered.

Doctor says, right, how's your sex urge now?

Lizard says I wouldn't have a bloody clue I'm seventy miles from home."
