

SEPTEMBER, 1975.

FLAT-OUT LIKE...

WELCOME TO "PRINTERS DAY", TROPHIES BY COURTESY OF VICE PRESIDENT, ROY MALM AND OLD MATE BILL TOWNSEND.

ALSO, THIS MONTH COUNTS TOWARDS THAT SPECIAL TROPHY FOR LIZARDS WHO BRING VISITORS ALONG.

AND IN WOMENS INTERNATIONAL YEAR - FOR GODS' SAKE DON'T FORGET LADIES NIGHT IN OCTOBER.

AUGUST COMPETITION WAS HELD IN PERFECT LIZARDS WEATHER WITH 25 LIZARDS AND 10 VISITORS. IT WAS THE FIRST MONTH OF OUR NEW CAPTAIN-HANDICAPPERS REIGN AND PRODUCED SOME INTERESTING VARIATIONS IN RESULTS INCLUDING SAVING OF A TROPHY ON "NEAREST THE PIN" AS NOT ONE PLAYER COULD CLAIM TO HAVE REACHED THE 9th OFF THE TEE.

SPECIAL TROPHY FOR AUGUST PROVIDED BY BRIAN OSBORNE AND LAWRIE LAIDLAW AND IT WAS A REAL PLEASURE TO HAVE BRIAN ALONG TO MAKE THE PRESENTATION TO THE WINNER, PAUL HENNESSY WHO SCORED 37 OFF 22. BRIAN IS THREATENING TO RESUME GOLF THIS MONTH, SO LOOK OUT YOU MUGS.

LIZARDS FIRST PRIZE, BY COINCIDENCE, WAS WON BY ASSISTANT CAPTAIN-HANDICAPPER, PETER ALLEN - 39 POINTS OFF 14.

SECOND PRIZE TO YOUR MOST WORTHY EDITOR (FOR SERVICES

RENDERED?) WITH 37 POINTS OFF 22, AFTER SURVIVING A COUNT BACK CHALLENGE BY BILL TOWNSEND.

VISITORS TROPHIES: FIRST - MARTIN SMEE WITH 43 POINTS OF 28 - NOT ONLY WELL TREATED BY CAPT-H'CAPPER BUT COACHED THROUGHOUT THE ROUND BY PROFESSIONAL GORDON DONALD. SECOND PLACE TROPHY WAS WON BY AN HONEST GOLFER ROGER McCREIDIE WITH 26 POINTS OF 35. BOTH, I AM SURE, WILL RECEIVE ATTENTION FROM HANDICAPPER BEFORE NEXT OUTING.

NEAREST THE PIN 4th HOLE - PAUL HENNESSY
9th HOLE - STAYED IN STOCK

BRADMAN TROPHY- RAY MAY - 16 POINTS

NEAREST PIN SECOND SHOT - PETER ALLEN

TO PROVE THAT THE POSITION OF CAPTAIN HANDICAPPER IS NO SINECURE, PETER ALLEN RECRUITED A COMPUTER TO ANALYSE THE PERFORMANCES OF ALL LIZARDS OVER THE FIRST TWO MATCHES THIS SEASON. THIS COULD BECOME A DANGEROUS ACTIVITY FOR SOME OF THE MORE CUNNING LIZARD MEMBERS AND COULD BE CONSTRUED AS AN INVASION OF PRIVACY.

HOWEVER, SO THAT ALL MAY SHARE THE KNOWLEDGE GAINED, THE RESULTS INDICATED THE FOLLOWING:-

THE AVERAGE LIZARD SCORE IS 83 - HANDS UP THOSE WHO ARE SUB NORMAL!

ANALYSIS OF THE ECLECTIC BOARD SHOWS THAT LIZARDS NATURALLY DISAGREE WITH THE STANDARD INDEX FOR ROYAL AVALON,

ONLY ADMITTING THAT THE 5th HOLE IS CORRECTLY INDEXED, IT SEEMS WE INSIST THAT THE 7th/16th IS THE HARDEST HOLE WITH THE 8th/17th BEING THE EASIEST. I HOPE THERE ARE OTHERS WHO DON'T BELIEVE THAT ABOUT THAT MISERABLE ***! 8th/17th THING.

THE ECLECTIC BOARD SHOWS THE OLD PRO'S ALREADY ON THE MOVE WITH THE FIRST TEN:-

R. HOFFMAN
P. ALLEN
R. JENKIN
T. WEBB
R. MALM

G. WOTTON
N. BLACK
L. LAIDLAW
H. THURSTON
D. GOOZEE

- STILL PLENTY OF TIME YET FOR THOSE WITH AMBITION.

NOT MUCH GOSSIP THIS MONTH, EXCEPT THE REPORT OF ONE SENIOR LIZARD WHO "MISTAKENLY" STARTED TO DRINK THE BEER OF A YOUNG LADY VISITOR TO THE GARDEN BAR - COULD BE AN EXPENSIVE WAY OF MAKING ACQUAINTANCE.

THE OTHER LIZARD, CONSPICUOUS FOR HIS BEARD, SHOULD POSSIBLY BE KNOWN AS THE NOSE IF THE FOLLOWING, REPRINTED IN FULL FROM THE DAILY PRESS, IS CORRECT -

'ARRESTING ODOUR'

A STRONG SMELL of glue from a suitcase led a Customs officer to a large heroin cache, Special Federal Court was told today.

The Customs officer, Martin Thomas Plim, told the court the drug weighed 259.6 grams.

Rodney Christopher Horne, 22, of Gloucester Road, Hurstville, was charged with importing and possessing heroin at Sydney on June 25.

Mr N. Walsh, SM, committed him for trial and allowed him continuing bail of \$10,000.

P.T.O.

THIS MONTH, CAPT. HANDICAPPER SUGGEST YOU KEEP YOUR
BEST TEE SHOTS FOR THE FOLLOWING:-

NEAREST PIN 1st

17th

NEAREST PIN SECOND SHOT 6th

GOOD LUCK AND GOD BLESS

EDITOR.
