

FLAT OUT LIKE...

December

The compliments of the Christmas season and best wishes for the New Year to all Lizards and visitors and their families.

Reports of the November meeting are, to say the least, hazy due to the absence of both the editor (work) and assistant editor (holidays) - ah organisation! (PS. Mr. Epps and myself will be running a one ticket raffle next year in response to the thousands of requests.)

The Handicapper has informed me that in weather tending towards heavy fog (Scotchmist), the following results were achieved.

Lizards 1st	W. Sheehan	40 off 18
Lizards 2nd	R. Hoffman	38 off 14
Visitors 1st	T. Jones	36 off 26
Visitors 2nd	? Tibbles	36 off 16
Atkins/Hennessy Day Trophy: Roy Malm		36 off 14

Nearest the Pin

on the 4th	R. Hoffman
on the 8th	R. Malm
2nd shot on the 9th	D. Gilchrist
Nearest the Line	J. Hardman

Billy Sheehan's success is his first win since becoming a life member and the first win of the Lizards competition by a life member. Great stuff.

November was also the special Lizardowlers day and an excellent turnout of 12 Owlars joined 25 Lizards, two country members and two life members (Sheehan and Try).

December is Hathaway/Garlick Day, the start of the Knockout Competition and Bring-A-Prize/Win-A-Prize. Nearest the Pin is on the 1st and 8th and 2nd shot on the 9th; nearest the line is on the 7th. The draw for the Knockout is on the board. (Donations for the Christmas stocking raffle to benefit the Dalwood Home will be welcomed). In response to popular demand (members on the 21st Squad) the chicken raffle will now have four prizes.

Handicapp variations are =

- up one Bird, Furloni, Hennessy, Thurston
- down one Jenkin, Campbell, Le Mon, Malm
- down two Hardman, Hoffman, Sheehan, Townsend

Best bet on the tote A. Lewis, best quinella Sheehan/Thurston who should Sheeton the opposition.

In response to the surging demand for Oven-Off cleanser in November herewith the Ph. Ph's kidney recipe:-

- Ingredients: Kidneys, salt, brown sugar, Cudgegong Special (available at all hotels in Cudgegong)
- Method: Cut kidneys into 1/16" slices. Note cut across the grain. Marinate overnite in the other ingredients plus any odd liquor in the bar. Heat hot plate, put on kidneys, turn frequently Eat.

It is now 1400 hrs. The hangover which has been threatening at morning has broken on my brain like a southerly buster.

Have a good Christmas
See you in 1978.
