

FLAT-OUT LIKE - AUGUST 1978

Welcome to Lizards on this crisp Sunday morn - have you noticed that well known couple over there near the keg advising all and sundry of a self inflicted Saturday night? If not, don't loiter or you will be next.

* ~~Today, if history keeps it's end, will be the Brian and Lori, Osborne and Laidlaw Day. Thanks.~~ Last month we did a "Harry de Wheels" and were hosts to all the Sailors. Call-me-Ralph and his able assistants did the "Harry" bit for the 60 that streamed in for a golf-course meal while the rest of us stood around like wheels. Congratulations Call-me; but for heaven's sake cut the corned beef a bit thinner.

With so many contesting, the following were fortunate enough to score :

LIZARDS : 1st Marty Plim 42pts. off 16
2nd Ray Hilton 41pts. off 36

VISITORS : 1st Bob Stokes (Sailo) 38 pts. off 16
2nd Bob Green (Sailo) 37pts. off 25

NEAREST PIN : 1st Alan Lewis
10th Adrain Van Kampen
17th Jack Gaudron

BRADMAN : Peter St. John 10pts. off 36

Ray Hilton and George Bird took out the Donor's trophies as the result of a secret draw in an aggregate 4 ball.

The annual Lizards Vs. Sailors competition was won by the Lizards - 669 to 549. The permanent trophy will be on view and in service on the M.C.C. bar for the next 12 months.

Nearest the pins today will be on the 1st, 4th and 17th with the nearest second shot on the 15th.

The contest for the Lindenberg Trophy will commence next month. The Captain/Handicapper intends to tell us more about it today.

The same Capt./Handicapper announced the following changes in his recent Budget :

Down one stroke - G. Bird and R. Jenkin
Down two strokes - I. Hampson, L. LeMon and M. Plim
Up one stroke - R. Ehret, K. Halliwell, A. Lewis,
P. O'Keefe and President Dave.
Up two strokes - L. Browne, W. Smith and Billy T.

Treasurer Gordon Donald would be pleased to receive outstanding 1978/79 fees today.

It is the duty of all good members to advise visitors of the method of making an application to join the Lizards Club. Butcher's paper with blood gets the thing off the ground - the other essential is the proposing and seconding by financial members of 2 years standing. It is the duty of all good applicants to con the proposer and seconder by fibbing about all the jobs they can do within the Club. Personally I would prefer to see applications for employment rather than membership and if the gentleman was successful and carried out his duties in accordance with Hoyle for say 5 years he would automatically become a member - fortunately no one else agrees!

FLAT-OUT LIKE - AUGUST 1978

It is interesting to note that in August, 1966, under the auspices of Des McGuire, the Lizards were considering a Hole-in-One insurance tin; Charles Park was on the waiting list for membership; Caterer Eddie Jones was serving devon from Moran and Cato's; the position of Plant Engineer was to be established and the October date for ladies night had been booked, the cost to be \$3.00 per head.

Good Golfing,

Co-Ed.

* The misprint on page 1 was due to a teleprinter stuff up. It should have read:

"Today, if history repeats its self, will be Osborne and Laidlaw Day.
Thanks Brian and Lari."

Here's hoping that we have the
real Editor back next month.

Mike

P.S. (for Ralph only)

Keep the thick slices of beef aside and
just you & I will have them.
