FLATOUT LIKE

Welcome to President's Day at Royal Avalon. This is the one day of the year when the cheery fellow with the beardless "Father Christmas" look may express himself through his own whippy rather than Treasurer Gordon Donald's. This is Dave Treharne's 11th month at the helm and what a happy, well run year it has been - the members have requested that you be congratulated on your term of Presidency.

Dave, years ago, donated the pint "Bradman" pewter and more recently instigated the Lizards Christmas Hamper. The fishnet stocking resembles bursting pantyhose before it goes off and raised the best part of \$200 on each occasion for the Dalwood Home. Filling his shoes at the Annual General Meeting on Wednesday, 20th June will be a job for Pioneer Concrete!

Today we are looking out for a contingent of golfers all the way from the Steyne Hotel and Assistant Handicapper George Bird, out of the goodness of the boot of his cab, is donating a special trophy for the Lizator with the best scratch score. Try hard visitors - this one is for you.

Nearest the pin holes today are the 1st, 9th, 13th and the second shot on the 11th.

The winners last month were :-

LIZARDS FIRST	John Board	41 points off 19
	Roger Ehret	40 points off 16
VISITORS FIRST	Craig Goozee	44 points off 28
	Mick Spence	39 points off 16
ALLEN/EPPS TROPHY	Ian Hampson on a count back from Phil Saliard	
HARRY TIPPER'S SPECIAL TROPHY	Len Le Mon	
NEAREST THE PIN	1st Mick Spence	
	8th Alan Lewis	
	13th Royle Jenkin	
SECOND SHOT ON THE 11th	Dave Jones	
BRADMAN	Leo Brennan	11 points off 30

It must be of some interest to recall the results for the previous month :-

LIZARDS FIRST	John Board	37 points off 20
LIZARDS SECOND	Roger Ehret	37 points off 17

The space necessary to say something rude about the Assistant Handicapper and his boss will be used more economically with a mention of another recent Lizard hitch - V.P. Peter Allen's wedding. The only unrelated person present, temporarily, was the bride, Linda Flett. The best looking unmarried ladies attending were Peter's daughters; uncle Bill Sheehan was M.C., and cousin Brian Osbourne was caterer and head jest. There was so much champagne bubbling that my wife had to drive home. I missed the bus and had to walk.

The semi-final of the 4 B.B.B. Knock Out is to be played today. The contenders are :-

ALLEN and EHRET

-v-

HANSON and BOARD

CAMPBELL and SALIARD

-v-

D. GOOZEE and BILL T.

Our thanks to the Caterer for the home-made hot-cross-buns last month. Kevin was up to 4 a.m. to bake them.

Good Golfing.
