

FLAT OUT LIKE...

JUNE, 1979

Welcome to the fathers, sons, sons-in-law and grand-sons gathered here to-day for the "Father & Son" competition. Paul Hennessy has two beaus to his string and Toby Webb could ring in a great-grand golfer. Member John Atkins and Ian Hampson have all the qualifications to compete together for the trophy. Geoff Wotton and George Bird also qualify for the day -- as trophy donors.

Last month's bumper attendance of 59 players included Country Members, Les Garlick, Jock Ross and Lori Laidlaw.

The winners were:

LIZARDS	1st	P.Hennessy	42 Points off 22
	2nd	A.Lewis	40 Points off 9

VISITORS	1st	M.Hastings	47 Points off 36
	2nd	J.Moore	43 Points off 26

President's Day trophy went to Life Member Bill Sheehan who turned in the most twos.

BRADMAN	G.Halliwell	12 Points off 29
---------	-------------	------------------

George Bird's Visitor's trophy was won by Dennis Cooper.

The Captain/Handicapper could not remember the winners of the nearest-the-pin holes and the 1st, 2nd and 13th, but was certain of his own success on the 9th. To make up for this slight lapse he announced that John Board, trophy winner for April and May should be given 2 extra strokes and Bill Sheehan, trophy winner for June, should also receive 2 extra strokes. Ian Hampson, non trophy winner, lost 1 stroke.

Nearest-the-pins to-day are the 1st, 8th, 13th and the second shot on the 11th.

Secretary Marty Plimm and wife Greer are winging their way with CPA to the place where it is blizzardly cold and lives depend on stopping coughs quick. All this just to show off their brand new son Kieran and get a duty free shot of Buckleys.

Ten points to Fred Hanson, Club Victualler, normally known as Adolph Vittler, who was kind enough to disguise the tin raffle-ticket-gobbler, invented by George Bird. It is to be hoped that Fred has painted the naked, incestuous paint cans to look like a beer gun or anything more befitting a Lizard's gaze.

The Croupiers, bless them, when they had nothing better than the plastic bag the bread was borne in as an adjunct to drawing the winning ticket, made \$500 for the Club this year. Just imagine what they will do with George's device.

President Dave, out of the goodness of his heart, has approved the purchase of the following goodies for the Club:

- 1 Box trailer with canopy.
- 1 Metric Gross of Lizard's glasses.
- 1 Complete repair job on the laminex table.
- 1 Polished timber extension to the Lizard's Trophy Board, and repairs to Beer Plant, the usual Annual Trophies, engraving and the normal expenses for the Annual General Meeting.

The A.G.M. will be held at the Civic Club on WEDNESDAY, 20th JUNE 6.30 for 7.00 p.m.

Guests for the evening will be Keith Comber, President of the Civic Club, Percy Campbell, your guess is as good as mine, as well as being Lizard's Returning Officer and Mr. A.O.Lindenberg, trophy donor. Cost for the evening -- Members and Visitors -- \$5.00.

Committee Members prepared to stand for re-election are Secretary, Marty Plimm, Treasurer, Gordon Donald and Captain/Handicapper Alan Lewis.

May the Saints preserve us.....Good Golfing.....
