

July 1977

"FLAT OUT LIKE"
=====

Prepare to repel boarders-- about three dozen star boarders --annual invaders of our gallery and lockers-- The Manly Sailors; Once a year golfers who are off course the rest of the time.

Welcome to the Lizards new year with Peter Allen at the helm and Geoff Wotton as co-pilot.

It promises to be a good twelve months-- promises, promises.

To-day's trophy donors are Bill Epps and Fred Hanson.

Last month was Bird/Wotton Day and the winners were:

<u>Lizards</u>	1st	Harry Thurston	41 points off 33
	2nd	Ray Hilton	40 points off 30
<u>Visitors</u>	1st	Terry Farrell	49 points off 26
	2nd	Roger Smythe	42 points off 32

Donors Trophy Paul Hennessy with the most twos.

4 BBB KO Bill Townsend and Dave Treharne

Father & Son John Atkins and Ian Hampson with a total of 73 points.

Nearest the Pins

1st Dave Jones
8th Roger Smythe

Second shot on the 11th Peter Allen.

The nearest the pin on the up-hill 13th was won by Dennis Cooper with a hole-in-one!

Congratulations Dennis and good luck when you and fellow aspirants Rick Bateson, David Jones and Paul R. Hennessy come up for possible membership at to-day's meeting.

John Board, recent trophy winner, scraped in as Bradman with 20 points off 18.

Nearest the pin holes to-day are 1st, 10th, 17th, and second shot on the 2nd.

Dave Treharne started the count down to the end of his successful year of Presidency when he opened the 32nd A.G.M. at the Civic Club. He welcomed distinguished guests Keith Comber, President Manly Civic Club, Percy Campbell, "Lizards' Returning Officer" and A.O. (Aub) Lindenberg, trophy donor.

The Lizards four Life Members, Col McClelland, Lance Try, George Russell and Bill Sheehan were given a well deserved 21 gunner, the Committee was given a pat on the butt and the members told to pull their weight.

Treasurer Gordon Donald gave his report in black and ink which saved a lot of memory work and thanked croupiers Len Le Mon and Ray Hilton for 594 obvious reasons. Ian Hampson got a well earned MID for his loaves and bread trick.

Captain/Handicapper Alan Lewis was thankful that he had "weathered the storm"-- after 11 out of 12 damp golf days, so were the members.

Keith Comber in a brief but meaningful speech came good with a Manly Civic Club--Lizards trophy which will be played for later in the year. Our thanks to Keith and his fine Club.

Returning Officer Percy Campbell donned his auctioneer's voice and ripped through our democratic election with the same acuity as the titanium dunny from sky lab would have gone through a plastic two man tent.

When the dust settled we found that we had been endowed with the following Office Bearers:

President	Peter Allen
Vice-President	Geoff Wotton
Treasurer	Gordon Donald
Secretary	Marty Plim
Captain/Handicapper	Alan Lewis
Caterer	Vacant
Plant Engineer	Bill Sheehan
Baggage man	Kevin Campbell
Editor	Bill Epps

Croupiers Len Le Mon and Ray Hilton as well as Victualler

Fred Hanson agreed to carry on regardless for another 12 months.

The Lizard Club perpetual trophies were presented.

Club Champion Roger Ehret

This massive cup was donated by Bluey Cane in the year dot and had silver scrap value of \$75 in those days. Don't lose it Roger.

Eclectic Peter Allen

Scratch Eclectic Alan Lewis

Lindenberg Trophy Alan Lewis

Aub Lindenberg made the presentation. The ~~Lizards have had~~ this trophy for two years; last year it was presented by Aub's son-in-law Geoff Adams to winner Geoff Wotton.

Dave Treharne ended his presentation reign when he bestowed the Paddle on Bill Epps and handed the Lizard to Peter Allen.

What are the odds that our new bosses Peter and Geoff will be looking for an Assistant Handicapper before lunch and be pinning a Cook and Assistant Cook badge on two unsuspecting members by lunch time.

Royle Jenkin, following his recent unfortunate stay in Intensive Care at Manly Hospital due to a burst Duodenal Ulcer, is at home and well on the way to recovery. All the best-- hurry back out here, "Royle Avalon" is not the same without you.

Here's to a good game and a happy day.....
