

Welcome Lizards, Lizardowlers and Lizartors to our 396th golf tournament.

VALE - GEORGE ALPHONSUS RUSSELL

Life Member George Russell died in hospital on Friday, 28th September, 1979, and is mourned by his wife Gladys and family.

George's "family", when you think of it, included his Army comrades, D.Y., R.S.L., friends, The Lizard's Golf Club, and in later years all those, like Goerge, who worked for or even passed through the Manly Drug Referral Centre.

Whilst we all mourn, George is up there laughing and unless we learn some of his ways we may never attain such an exalted position.

PRINTER'S DAY last month attracted 51 players with the following results:

LIZARDS	1st	Jack Gandron	51 points off 35
	2nd	Paul Hennessy	48 points off 19
VISITORS	1st	Mal Waters	53 points off 24
	2nd	Noel Corlep	46 points off 30

MALM/TOWNSEND TROPHY	1st nine	Dave Gilchrist
	2nd nine	George Bird

NEAREST THE PIN	1st	Dave Gilchrist
	8th	Gordon Donald
	13th	Sean Hennessy
SECOND SHOT	18th	Bill Smith

BRADMAN Bob Wattle

Bob created an all time record by amassing a total score of nil, zero, sweet fanny Adams points off a handicap of 36!

BIGGLES knotted another record by scoring 6 points with one robust blow. A hole-in-one on the 10th! A perfectly mistimed tee shot sailed into the air, landed on the green, bounced, rolled and plop. His playing partner Denis Cooper almost followed suite but merely lipped the cup - thank Heavens, otherwise President Peter would have been forced to have both their balls mounted.

PRINTERS DEVIL Malm welcomed the 18 visitors and for the purposes of identification requested those visitors seated to be up-standing and those already standing, due to lack of furniture, to be seated. This manoeuvre threw the wide-eyed visitors into a squinty-eyed frenzy. Thanks Roy.

BILL SMITH was voted the best dressed Zorro on the day.

MUDDY MAL WATERS had won the visitor's trophy previous with 55 points off 36 and suffered the loss of 12 strokes. Having won the September game he has been divested of an additional 9 strokes. "Have the Waters been sufficiently damed" asks our benevolent Capt./Handicapper.

TODAY is the Capt./Handicapper and Assist. Handicapper's Day and by way of celebration they have interferred with 18 of the members tools of trade. Some of the most memorable slashes were:

Jack Gaudron	down 9
Paul (the old one) Hennessy	down 6
Adolph Hanson	down 5
Biggles	down 4

on the other side of the ledger or paddock we have:

Alan Lewis (Capt./Hcp.)	up 1
Peter Allen (President)	up 1
Denis Cooper (a possible relative)	up 2

NEAREST THE PINS TODAY are 1st, 4th, 17th and the second shot on the 14th.

LIZARDS' LADIES NIGHT has been planned and ready to go at the Manly Civic Club on Friday, 26th October, 1979 - 7.30 p.m. for 8.00. Playing visitors and their ladies are welcome. The cost for the evening is \$14 per double. Confirm your bookings with Treas., Gordon Donald today.

OUR WARMEST GREETINGS to the Lizardowlers led by our Life Member Lance Try. They will be dropping in for lunch and whatever else they can get their hands on. This annual event is highest on our social calendar.

PHIL SAILLARD should be back on deck this month, as an observer, having been skittled recently on the corner of Condamine and White Streets whilst pock-marking the pavement with his pneumatic pick. It appears that 2 ladies in separate cars met with some force and circumnavigated Phil's protectively parked pantechnicon.

Phil and his mate were knocked to the ground. The two men shared broken bones and severe bruising. Phil, having first choice, chose the severe bruising. One of Phil's relatives, Nose-tradamus, predicted the incident in the 1500's when he wrote "At the place where the whites cross the river there will be an attack by fast women clad in steel. All will end up in bed."

MANLY CIVIC CLUB Golf Day will be held at Warringah on Thursday, 15th November, commencing at noon. Place your name on the board at the Club or make arrangements with Geoff Wotton today. Dinner will be at the M.C.C.

GEOFF WOTTON brought this advertisement in the press to notice - Wanted: Lizards. 'phone 357-2596.

The same buyer wanted frogs - there may be some French connection.

Good golfing.

Editor.
