January, 1 0.

Welcome Lizards and Lixators to our 399th golf tournament. The donors today are Marty Plim, Secretary and Gordon Donald, Treasurer.

Thanks to Steve Farkas, and his hole-in-one on the 8th in December, anyone who played last month will be subsidised \$1.00 if they are competing today.

MANLY CIVIC CLUB DAY last month produced the following results :-

LIZARDS	1st	Billy T.	92 points off 20 (count back)
	2nd	Peter Allen	92 points off 20

VISITORS	1st	Mark Hastings	53 points off 32
	2nd	Jeff Denning	46 points off 31

CIVIC CLUB TROPHY	1st nine	Norm Tardiff
	2nd nine	Toby Webb

NEAREST THE PIN	8th	Steve Farkas
	10th	George Bird
	13th	Fred Goozee
Second shot on	3rd	Bill Epps

BRADMAN Craig Goozee 19 points off 19.

LINDENBERG TROPHY FINAL was won by Dave Gilchrist when he managed to get ahead of Paul Hennessy Jr., on the 20th hole. Congratulations to the players and the Capt./Handicapper for his last minute adjustment to their saddle bags which caused them to be even at the 19th.

NEW MEMBERS Vern Sands, Graham Halliwell and Mal Warrens were "sworn-in" last month after a rough reception - welcome gentlemen. Membership is back to full strength at 36.

THE CHRISTMAS HAMPER went off in the boot, back seat and glove box of Jeff Denning's sleigh. President Peter Allen, who was tipped to win it by some nurd, delivered the cheque for \$200 to the Matron, Dalwood Homes, and states that he was suitably rewarded - the mind boggles.

OIL WELL STATIONEERS John Board and Roger Ehret have, out of the goodness of some current pedestrian's misfortune, provided a wheel, tyre and tube for the Lizardale. This all round generosity should put the refreshment trailer back on an even keel.

EX-PRESIDENT and Little Angelina ballad singer Dave Treharne is improving in health and back aboard "SIMMO" during working hours. Treasurer and recent Country Member Gordon Donald is still well enough to come out and work but not play and Life Member Bill Sheehan is completely off the air, temporarily, with an ulcerated leg. Bill has spent the last week on his kyber under a doctor's stethoscope and has Buckley's on making it to Lizards to-day.

TOBY WEBB is still playing and winning prizes.

GOOZE INCORPORATED including Fred and Don come to the fore next month as donors for our 400th tournament. It is also Founder's/ Life Member's Day.

MEMBERS should advise their guests of the dress rules. One unsuspecting visitor in recent time was fined for his Reef Beach appearance whilst collecting second prize.

GOOD GOLFING.
