

FLAT-OUT LIKE...

APRIL, 1980

Welcome to the Royle Jenkin/Fred Porter Day and the beginning of more conducive golfing weather. Royle is a fairly recent ex-President and Fred switched over to Country Membership not all that long ago - in fact it was just after he took up bowls. Both will be present and playing today.

NEAREST THE PIN HOLES are 1st; 4th; 17th and second shot on the 15th.

LAST MONTH we had 43 players including 18 visitors from the Warringah Leagues Cricket Club. The results were :-

LIZARDS	1st	DAVE JONES	44 points off 22
	2nd	MAL WALTERS	40 points off 19
VISITORS	1st	DENNIS MOORE	45 points off 36
	2nd	RALPH STRETTON	44 points off 23

A. CAMPBELL/J. ROSS TROPHY George Bird and Geoff Wotton.

CRICKETERS TROPHY ROSS SMYTH (Secret nine)

NEAREST THE PINS	4th Ken Bond
	8th John Board
	18th Jack Gaudron
Second shot	16th Royle Jenkin

BRADMAN Biggles 19 points off 25 on a count forward.

ALISTER CAMPBELL, wearing his cap from the Old Course at St. Andrews - a sight rarely seen in the antipodes - presented the Donors' trophies. The awesome spectre was slightly dashed to pieces when he went into a commercial and handed out a few pharmaceutical samples during the prize giving ceremony.

DENNIS MOORE, President of the Leagues Cricket Club and Visitors prize winner, gave the impression that the cricketers might like to come out to Avalon again next year. Our Treasurer, Gordon Donald, promised a trophy out of his own whippy should this event come about.

LIFE MEMBER Lance Try has officially and irrecoverably retired from business and is now at home happily soliciting more business.

MEMBER Graham Halliwell and wife Rita, both on the payroll of the Manly Daily, are expecting their first home made edition and are decorating the nursery to look like the inside of a letter box.

THE ECLECTIC competition is drawing to a sticky end. Rumour has it that at least half a dozen players are currently under par - Peter Allen 6 under; Bill Epps 5 under; Ian Hampson, Paul Hennessy and Marty Plimm 4 under and George Bird 2 under. A couple of birdies on the right holes over the next two months could put anyone ahead of these fellows.

CANS will be on again today. Let the President and Vice-Pres., know of your preference whether it be for a brand name or even keg beer.

Good golfing Editor.
