

FLAT-OUT LIKE...

May, 1980.

WELCOME TO PETER ALLEN'S DAY - President's Day. Peter's energetic presidency over the very best part of the past 12 months has kept us on the ball and on speaking terms with the Corso bankers. Apart from the dawn hit-off today, caused by his morbid desire to see Manly and Parramatta swopping bruises this afternoon, he has lost the minimum of points. There is still the Father and Son day in June and the Annual General Meeting to go, so let's keep our 7 irons crossed.

FINES were rife last month. Captain/Handicapper Alan Lewis turned up late sans cards and visitors' trophies - he gave some sexy excuse about it being his wife's birthday - and was relieved of an instant \$2. Biggles arrived without his badges which, as we know, are screwed to his brain bucket. Mrs. Big., was kind enough to bring them out to the course - he was fined 20¢ for appearing without I.D. and 40¢ for infringement of the "Ducks on The Pond" clause. Dave Jones was deemed to have 4 cold golds stacked between his mudoies during the meeting and was pinched 20¢ per can.

GEOFF WOTTON and GEORGE BIRD are donors on the Father and Son Day. To be eligible for the special trophy all you need is a son, step-son, son-in-law, grandson or any other form of sonmanship. If you are a son all you need is the vice versa.

LES GARLICK celebrated his umteenth birthday last Lizards' day. Given the task of welcoming the visitors he addressed the bedazzled throng for 3 minutes in fluent git. Peter Board responded and thanked him for whatever he had said.

THE A.G.M. looks like being held on Wednesday 25th June. This is the time of year when we all put our hand in the air and cause someone else to run the Club for the next 12 months. The date of the meeting should be confirmed at today's gathering.

NEAREST THE PIN HOLES TODAY are the 4th, 10th, 18th and second shot on the 5th.

Good golfing ...
