	10th	BILLY T.
	14th	ROGER EHRET

President Peter Allen scooped first prize and a nearest the pin - wot a toff!

WELL KNOWN VISITOR Roy Malm was called on to welcome the real visitors and with due disregard for his task recounted the time he blew up the Police dunny - it seems he is still free because the wallopers had nothing to go on.

MATT ERWIN, in replying to whatever Roy had said, opened his disgorge with "Ladies and Gentlemen" and was promptly fined.

THE TOTE would have been a skinner for the Club had Rick Bateson not wagered on the President to win first prize on President's Day - when asked of his illogical choice he explained that he merely did it for profit.

PAUL HENNESSY, clutching a trophy, lined up with the Airies. Due to an alleged vocal malfunction he was required to sing again - solo. He did and seemed to enjoy the disastrous effect the rendition had on the captive audience.

THE A.G.M. is to be held at the Civic Club on Wednesday 2nd July. The meeting will kick off on the stroke of 6.30 p.m. Lite and dark refreshments will be served during and, it is to be hoped, for some time after at the Committee's expense. A meal has been arranged at minimum cost. To assist those conducting the meeting nomination forms are available in the shed today. Nominations and seconders are to be of 2 years standing. Nominees require no residential qualification whatsoever - the willingness to assist is the only essential.

CANS Vs. DRAUGHT is on the agenda. Member's opinions will form the guidelines for the incoming Committee.

NOTICES OF MOTION have been received by the Committee. One is a suggestion concerning the form applications for membership should take and another proposes a new type of membership aimed, presumably, at distinguished retired Lizards.

ANNUAL TROPHIES will be presented at the conclusion of the meeting.

THE PADDLE has been found in the possession of some stirrer and will change hands during the night - this is not the evening any cold blooded Lizard should miss. Visitors are welcome, particularly impending new members. All they need to do is arrive, pay, sit down and enjoy themselves.

NEAREST THE PIN HOLES today are 1st, 8th, 13th and second shot on the 11th.

Good golfing,

Editor.
