FLAT-OUT LIKE...

Welcome to LE MON/SAILLARD Day with an anticipated field of 45 players.

CAPTAIN-HANDICAPPER George Bird produced the following black and ink print-out of the annual prize winners which is much nearer the mark than the previous mis-reporting:

CLUB CHAMPION	PETER ALLEN
HANDICAP ECLECTIC	IAN HAMPSON
LINDENBERG TROPHY	DAVE GILCHRIST
HARRY TIPPER TROPHY	IAN HAMPSON

Ian Hampson was presented with a hole-in-one trophy and Roger Ehret received the paddle.

Monthly "Shield" winners were :-

JUL	Biggles	JAN	Biggles
AUG	Rick Bateson	FEB	John Board
SEP	Jack Gaudron	MAR	David Jones
OCT	John Board	APR	Bill Sheehan
NOV	Paul Hennessy Jnr.	MAY	Peter Allen
DEC	Bill Townsend	JUN	Royle Jenkin

Most of the trophies were misplaced during the night but turned up eventually. What happened to all the fines collected? Did the vast sum go to a good cause?

EPPS/HANSON DAY in conjunction with the SAILORS annual visit attracted 74 starters. The 29 Lizards were outnumbered by 45 visitors - 35 of whom were able bodied seamen led by Roscoe Gibson and Ross Hooley.

The score board at the end of the day read:

LIZARDS	1st	DAVID JONES	43 points off	17
	2nd	ALAN LEWIS	40 points off	8
VISITORS	1st	ROD BROWN	42 points off	34
	2nd	DENNIS McCARTHY	41 points off	28
DONORS TROPHY		HARRY THURSTON	40 points off	33
NEAREST THE PIN	4th	RICK BATESON		
	8th	JIM TIGHE		
	10th	G. COOTE		
SECOND SHOT	14th	A. VAN KAMPEN		
BRADMAN		DAVE RICHARDS	12 points off	36

THE SAILORS/LIZARDS CUP - The big event on the day was won by the Lizards with 759 points to 666. The silver water-jug will be engraved and put to good use on the Civic Club bar for the next 12 months. The salty tang imparted to the scotch will be a constant reminder of our nautical friends and our need to keep in practice for the next annual event.

BIGGLES has run away to sea aboard a boat he helped to build in a paddock, near Roy Malm's place, up in Terry Hills. The good ship REEF EXPLORER is bound for Cairns and is described as a scuba-diving

exploration cum salvage boat. The idea is to run under charter in and around the area. Running away to sea is understandable but Biggles as cook could put another bung in the ship's barrel - and that's apart from his thinking of his eye brows as a plimsol line.

GEORGE BIRD is in the throws of retiring for the second time. Should he leave the ranks as a cab owner its off to a boyhood stamping ground in comfortable live-in wheeled accommodation, in search of gold, for a couple of months. In his early youth he was able to pan a pennyweight a week in his meagre leisure hours around the same district. Just think of what he could score now with a metal detector, battery operated colour T.V., pump-up tyres and a bottle of rum - most probably an indigenous bobby soxer. Alan Lewis has volunteered to take over as Captain during George's temporary absence.

RICK BATESON is off to the U.K., "in search of his father" - the mind boggles. It has not been established whether Rick wants a copy of his birth certificate, a family drink in the "Pig and Whistle" or intends bringing the old codger back to the antipodes. We should ask him before his departure. The same feller's generosity caused last month's raffle to top the \$94 mark. Bon Voyage.

NEAREST THE PIN holes today are 1st, 8th, 13th and second shot on the 15th.

Good golfing ...
