FLAT-OUT LIKE...

Welcome to PRINTERS DAY typeset by none other than our cursive fat-faced, bottle-assed palaeotypographers Roy Malm and Billy T., - with an anticipated field of 45 players.

LEN LE MON was acting choir master for the Airies and as Croupier sold the winning raffle tickets to Paul Hennessy and Bill Epps.

CAPTAIN/HANDICAPPER George Bird should be well on his way to El Dorado in search of the golden boomerang and threatens to be back for the December golf day. If successful in his venture he may donate his comfortable camper-van to the Lizard sponsored Christmas Hamper.

COUNTRY MEMBERSHIP is on the increase - from around a dozen to 14. Biggles made it when he ran away to sea and the latest applicant to be accepted into their ranks is long standing member John Atkins.

VACANCIES as members might be filled today when President Geoff Wotton introduces well known visitors Andy Warner and Noel Cawley as embryonic Lizards.

MANLY RUGBY UNION CLUB has slipped in a bid to beat the Lizards at golf on the third Sunday in November - with a view to making it an annual event. Ex-member Eddie Jones introduced the MAN-LY Secretary/Manager Tony "The Irishman" to the last Committee meeting. The finer details were being battered into shape when the President of the Civic Club shouted a round - of JUGS. Now we don't know whether there are going to be 30 or 300 RAH-RAHS on the way between now and January or what colour jumpers we should wear.

LADIES' NIGHT is just around the corner and will be given a plug at today's meeting.

NEAREST THE PIN HOLES are the 1st, 8th, 13th and second shot on the 16th.

Good Golfing,

Editor.
