

"FLAT. OUT LIKE"

November, 1980.

Welcome to Cognac Day run by the Hennessys. This could be the first Father and Son donors day on record.

We are hoping to see a few LIZARDOWLERS on their annual pilgrimage from Dee Why to Avalon. Original Lizardowler and Lizard Life Member Lance Fry could be amongst them.

Manly Rugby Union Golf Club will be all over us like top dressing - Golfing President Geoff Shaw predicts 30 of his members lining up at the first tee to play the Lizards team. Our Boss, Geoff Watton has arranged the match and hopes to mould it into an annual event with a decent sort of a trophy. At least a couple of the golfers have played 1st Grade for Manly - Ian McDonald, current Union Club Board Member and Bill Leckie, 3rd Grade Coach. Good Luck Gentlemen - you will need lots of it and a bit of arse to beat the Lizards on their own oval.

Captain Handicapper and Assistant's Day in October produced the following results:

LIZARDS	1st	ROGER EHRET	45 points off	19
	2nd	ANDY WARNER	44	31

VISITORS	1st	ROD BROWN	39 points off	13

Next month is the Christmas meeting - our visitors will be from the Civic Club. It's "bring a prize win a prize" day as well as the occasion of the Dalwood Hamper draw. The stocking could do with a bit of a top up so bring the stuff on the top shelf at home and jam it in with the ham that the club is providing - then buy all the tickets you should have sold and we might pass last year's total of \$250-00.

Ladies Night was deemed to be a success - special thanks go to Peter Allen and Billy T. for providing a dozen reds and a dozen whites. It is not the first time they have pulled this leaves and fishes stunt - thanks again fellers!

The President was still in a state of elevated dudgeon at the Lizards meeting last Monday night due to the "Lizard" being lifted from the sheet last month - some of the less colourful expressions were "Nefarious twit"; "Fine the scoundrel a nine gallon keg"; "Burn the relatives clothing"; "Deport him" and other et ceteras.

If he is still in this frame of dudge today it might be better not to swear, interrupt or even traff during the meeting cum prize smashing ceremony.

The Lindenberg Trophy competition commences this month and carries through till the June ^{game} when the winner will be decided.

Nearest the pin holes today are 1st, 8th, 13th and second shot on 5th.

Good Golfing
