FLAT-OUT LIKE...

WELCOME to Lizards and a pleasant change in the weather. Today is LEON LIST Day. Leon, a well known publican in Manly, founded the Club in 1946 in the Steyne "Cellarette" - known locally as The Lizard it was not difficult for the foundation members such as Duncan Hattrick to come up with a name for the Club. Leon's son is enjoying a short stay in Manly - he belongs to an organisation founded in 1098. He is a Monk in the Cistercian Order.

It is also Life Members Day and Fred and Don Goozee Day.

THE TOURNAMENT last month produced the following results :-

	2nd	George BIRD	46 points off 18

RICK BATESON could not make it to golf last February - he was too busy arranging his first wedding anniversary, which falls today. Rick's son is O.K. again after his motor accident; his 79 year old father is on his way out from the U.K. and arrives on St. Patrick's day begorra.

ROUND 3 of the Lindenberg Trophy will be played today. The draw is displayed on the shed wall.

PRESIDENT Geoff Wotton was browsing through the books the other day and found that 26 of 36 members were turning up on Lizard days. "Not good enough" sayeth he; "Average" chorused the Committee. The result was to charge, fine or levy those members who absent themselves without an apology being tendered, on or before the golf day, the sum of \$1.00. The dollar register book kicks off for the non-communicants in March.

JEST imagine Roger Ehret, who of recent time has been in traction in a well known Manly district holding centre, being confronted by an angel of mercy - "Good MORNING you tent dweller you, would you like a pain killer - or your stomach rubbed?" "Aw, no thanks" says Roger "but you had better ring-up the Lizards and tell them I won't be there in March or they will fine me a dollar".

ANNUAL GENERAL MEETING 1981 will be held at the Civic Club on Friday 26th June. Put the date on the kitchen calendar when you get home and ensure that you don't have to attend the P. & C. Ball which won't be advertised till May. Finer details of the subsidised evening will be broadcast as they seep through.

CONGRATULATIONS to our Life Members, Col McClelland, Lance Try, George Russell, Bill Sheehan and Gordon Donald on this their day. Col pulled the Club out of the mire in the very early days, Lance was the first and only Transport Officer, perpetual Plant Engineer and President 1954*, Bill Sheehan President 1965 and on the committee before and since and Gordon Donald President 1973 and then Treasurer until last June.

NEAREST THE PIN HOLES today are 4th, 8th, 10th and second shot on the 15th.

Good golfing ...
