

FLAT-OUT LIKE

MAY, 1981.

WELCOME to President's Day. Geoff - nothing is impossible - Wotton has blown the dust from the aspidistra during his short reign and with the same short rein has spurred some of the older semi-deceased members of the Committee into deeds worthy of a burial at sea. From my own point of view, being pheasantly plucked from a warm knee-deep scarcophagus was steeped with arthritic excitement. Be careful how you vote next month or we could be stuck with another live wire.

JENKIN-SHEEHAN Day produced the following results :

Lizards 1st	Lenny	45 off 18
	Andy Warner	42 off 27
Lizartors 1st	Barry Moore	47 off 36
2nd	Norm Brennan	40 off 21
Nearest the Pin 1st	Noel Corely	
8th	W. Atkins	
13th	Mich Hennessy	
Second shot on 2nd	Doug Duncan	
Bradman	Leo Brennan	15 off 30

Donors Trophy - was not awarded for three reasons :

- (a) no decision made on how the competition was to be decided, and
- (b) the Donors did not provide a prize.

RICK BATESON was fined last month for inviting his Pommy father out to the course. His father Jack was fined for attending. Jack, being friendly, accompanied a group of players for the first nine holes and then returned to the shed for a quiet, well deserved, ale - he was fined again for not completing the round. Jack, deemed by some to be a tourist/refugee, has been in Australia on at least one previous occasion. The Prince of Wales came out with him in 1920 and between them, with a minimum of assistance from William Morris Hughes, laid the foundation stone for our fair Capital of Canberra. Jack's description of the area at the time was "a dell with a stream running through". Jack, in those days, was a Royal Marine and in modern lingo was a body-guard, minder or hit man. He was awarded the Royal Household Medal for not missing whilst so employed.

RAY HILTON has been granted leave-without-play during his temporary absence from Sydney due to circumstances out of control.

PRESIDENT Geoff attracted so many Committee-men to the meeting last Monday that a quarter of the time was taken up with introductions. One boffin broke a voting dead-lock on several occasions. It was established towards the conclusion of the proceedings that the gentleman was an applicant for membership in the said Club. His name is Neville Meredith and if he ever slips in under the myopic scrutiny of the selectors he could become a very lively member.

CROUPIER Len Le Mon has mentioned that he would not knock back any voluntary anonymous donations for inclusion in raffles and putting competitions. Any benefactors should negotiate with Len personally. Len, by the way, has had his handicap reduced by 2 strokes following his performance last month; Andy Warner, Lindenberg Trophy Winner, suffered the same fate.

LINDENBERG TROPHY : Dave Gilchrist, present holder, is asked to return the trophy for engraving and re-presentation at the A.G.M.

A.G.M. 1981 will be held at the Civil Club, Manly, on Friday, 26th June - the President will open the meeting at 7.00 p.m. More information concerning nominations for positions and any notices of motion will seep out at today's function.

NEATEST THE PIN holes today are 4th, 8th, 10th and second shot on the 11th.

Good golfing
