

FLAT-OUT LIKE

JUNE, 1981

WELCOME to Vice-President's Day and the ebullient end of the Committee's fiscal fortunes - at the moment the Treasurer has evidence of a good assortment of bikkies in the bin, probably enough to cover the engraving of the growing variety of trophies and a sizeable subsidy for the AGM. The in-coming Committee should have no financial problems, particularly in the handling of surplus funds.

VICE-PRESIDENT Alan Lewis who, out of the goodness of our brow-beating, put on this day did not do the usual thing and buy a car whilst in office. He built a house instead. We should all drop in to the Club's new asset one day - after the AGM has been suggested by some of the more ebrious members, to help him celebrate his birthday. A dim view was taken of this motion due to the absence of electricity at the untiled premises, however, the Club will provide 36 lamps hand electric at the AGM for anyone wishing to use them later in the evening. It could be a torturous night up Quirk Street way with an illuminated address by Alan's wife as the closing ceremony.

PRESIDENT'S DAY produced the following results: -

LIZARDS 1st	Denis Cooper	44 points off 25
2nd	Len Le-Mon	43 points off 16
VISITORS 1st	Dave Treharne	43 points off 36
	Bill Smith	39 points off 30
NEAREST THE PIN	4th Geoff Wotton	
	8th Denis Cooper	
	10th Les Garlick	
SECOND SHOT	11th Roger Ehret	
BRADMAN	Neville Meredith	14 points off 36
PRESIDENT'S TROPHY	Alan Lewis	nett 72
Alan went round the course in 8 over par and was fined for not playing flat out.		

NEVILLE MEREDITH was presented to the members for their views on his intended membership - the result was unanimous, they all got up and walked away. The President, too intent on reading his script to notice such a gesture, invested him in their absence. Neville made some friends during the day by donating a swag of king prawns at lunch time.

TREASURER Paul Hennessy fought his way out of a nursing home to be at Avalon last month. He was not up to playing golf but seemed to enjoy sitting beside his old friend - the money box.

AMATEUR caterers Alan Lewis and Bill Sheehan survived their ordeal with the loaves and fishes and in the absence of Kevin Campbell will be the purveyors again this month.

CROUPIER Len Le-Mon is only a couple of points ahead of President, Geoff Wotton in the Club Championship which will be decided today. Len, by the way, is still on the lookout for unsolicited donations for the putting competition. He has run out of red and white elasticless ladies bed sox.

LIFE MEMBER Gordon Donald looks to be home and hosed in the Scratch Eclectic. The Handicap event is still up for grabs.

A.G.M. 1981 will be held at the Civic Club, Manly, on Friday, 26th June - the President will open the meeting at 7.00 p.m. The Lizard subsidy should provide a considerable amount of fruit for the sideboard. Aub Lindenberg will be along to present his trophy.

NEAREST THE PIN holes today are 4th, 9th, 17th and second shot on the 15th.

Good golfing
