July, 1981.

WELCOME to Lizards v. Sailors Day - trophy donors are Epps and Hanson.

A.G.M. 1981, conducted at the Civic Club on Friday 26th June, was enacted with the minimum of mishaps thanks to the efforts of John Mooney as Returning Officer. When the dust settled the following electees found themselves in office:

President	- Alan Lewis
Vice-President	- Harry Thurston
Secretary	- Marty Plim
Treasurer	- Paul Hennessy
Capt/Handicapper	- George Bird
Asst. Handicapper	- Rick Bateson
Baggageman	- Bill Sheehan L.M.
Caterer	- Ian Hampson
Cook	- Phil Sailiard
Asst. Cook	- Gordon Donald L.M.
Asst. Baggageman	- Dave Gilchrist
Croupier	- Len Le-Mon
Victualler	- Mal Walters
Editor	- Bill Epps

Congratulations to the half-dozen new faces on the Committee - particularly Harry Thurston and Ian Hampson who have taken on jobs in the upper echelon and our two active Life Members still showing a leg.

GORDON DONALD, ex Club financier, as Cook's assistant will be a bit hard to swallow. Our tucker will most probably be audited and served suffering from liquidated damages.

BILL SHEEHAN got the job by threatening to bring less L.A. and more beer this month.

FATHER AND SON DAY, with trophies by Geoff Wotten and George Bird, produced the following result:

Lizards 1st	- Bill Epps	46 points off 15
2nd	- Phil Sailiard	41 points off 19
Visitors 1st	- Catch	41 points off 30
2nd	- Harry Warner	35 points off 32
Father & Son Trophy	- Harry & Andy Warner	- 74 points
Nearest the pin 4th	- Marty Plim	
9th	- Rod Bird	
17th	- George Bird	
Second on	15th - Peter Allen	
Bradman	- Alan Bateson	

ALAN BATESON was coached in the finer points of the game by Assist. Handicapper Rick and was observed playing on the day by grandfather John. Al Grasby will be pleased to hear of a three generation ethnic group being present at Lizards for the first time in history.

JOHN BATESON has just entered his 81st year and since his recent arrival from the Old Dart has shown more than the usual interest in Lizard activities. The President, Vice and Immediate Past Presidents, as well as the 12 faceless men, will be putting him up for non-playing membership today - we will see how they go.

MANLY 16ft SKIFF CLUB led by Bob Kerigan closely followed by Ross Gibson, Wally Ballard and a Penzance of pirates will be swarming all over our rigging as soon as they come off the dawn watch. The annual Sailors v. Lizards tournament is our major event of the year - there should be about 70 on the first tee firing broadsides from 0830. The silver trophy is currently in the temporary keeping of the Lizards

ANNUAL TROPHIES 1980-81 were presented at the A.G.M. The Captain-Handicapper and Assistant Handicapper have had to put in a lot of homework over the year to come up with these results:

POINTS SCORE	- LEN LE-MON	71 points
LINDENBERG TROPHY	- ANDY WARNER	
SCRATCH ECLECTIC	- BILL EPPS	Nett 56
HANDICAP ECLECTIC	- ANDY WARNER	33.75 points
BRADMAN	- RICK BATESON	26.33 average
HOLE IN ONE	- NIL	
PADDLE	- DON GOOZEE	

DON permitted his trophy to float down the creek on the first night and now no one knows where it is - Wot a Gooz !

CROUPIER Le-Mon has an expensive mirror as first prize for the putting competition. He intends to record the names of the monthly winners and have them play-off for a super prize at the end of the year.

NEAREST THE PIN HOLES for this round will be the 4th, 8th, 18th and second shot on the 14th.

Good golfing ...
