October 1981

WELCOME to CAPTAIN/HANDICAPPER'S and ASST. HANDICAPPER'S DAY. George Bird and Rick Bateson are our hard working statisticians who provide the Lizards' trophies and then put lead in our saddle bags to prevent us from winning them. They will be doubling up today by presenting their donors trophies as well. George will be handing his over by proxy as he has nipped off to Adelaide in a taxi to compete in the Cab Drivers' National Golf Championship.

THE TOWNSEND/MALM PRINTERS DAY last month produced the following results :-

	2nd	VERN SANDS	44 points off 35

CONGRATULATIONS to Harry Warner and Noel Corley who will be hitting off as members for the first time and to Harry Thurston, new grandparent and Roger Ehret a farther of 24 or so nappies ago. Roger has hit the Open Road as a member of the N.R.M.A. fixit team and Harry is lamenting the demolition of his namesake on Circular Quay, The Thirston Last Hotel.

RICK BATESON and HARRY WARNER have been clipped 4 strokes each for their over exuberant scoring rate last month. This may take Rick's mind off the fact that he has not received his well-earned Bradman trophy for which he strived over the past 12 months.

JACK GAUDRON donated a 9 carat aluminium mug for the 1980 Bradman winner, however it looks as though one of the Committee may have crunched it up with the other empty beer cans and sent it off to the re-cycling works.

COUNTRY MEMBER Pat O'Keefe, The Department of Trade's gift to Tasmania for the past year, made a brief visit to the mainland for a breather and was promptly fined by Geoff Wotton for not carrying his Lizard.

MARTIN SMEE, the same Department's threat to Papua-New Guinea, could be returning to Sydney before Christmas. It's to be hoped he remembers to bring his zac and Santa suit with him.

RURAL BANK magnate Barry Bowyer has slipped the Lizards a bundle of tees and golf markers encribed with a well known pastoral emblem. We should all score a couple of tees and a marker when we pay our freight this morning.

LADIES NIGHT, Friday, 27th November at the Civic Club will be given a plug at the meeting today. The Treasurer has his notepad ready to start the attendance list.

NEAREST THE PIN HOLES today are 4th, 9th, 10th and second shot on 11th.

Good golfing
