

LIZARDS FLAT OUT LIKE

SEPTEMBER 1982

WELCOME to Lizards and a special greeting to Roy Malm and Bill Townsend, known affectionately as "The Printers". Billy T is out of town on leave but Roy is coming out of retirement to present the donors' trophy.

LE-MON/SAILLARD DAY produced the following results :-

Lizards	1st	George Bird	43 points off 18
	2nd	Andy Warner	42 points off 29
Visitors	1st	David Webb	36 points off 29
	2nd	Graham Keating	33 points off 26
Donors' Trophy		Billy T	best second nine
Nearest the Pin	1st	Harry Warner	
	4th	Peter Allen	
	17th	Len Le-Mon	
Second Shot on	18th	Bill Sheehan	
Bradman		Rick Bateson	24 points off 27

PRESIDENT Harry Thurston succumbed to illness during the morning and left Secretary/Tres., Paul Hennessy to run the shop. Paul conducted the prize giving ceremony and normal riot sequences with professional skill - plenty of fines with almost awed silence between rounds.

PETER ALLEN took out the nearest the pin on the 4th by being the only player to make the green and went on to win the putting competition by holing in one.

BILL SHEEHAN made a bird of the second shot on the 18th by holing his chip.

THE WARNER brothers both chipped in on the 6th and scored 4 points each.

GRAHAM KEATING, goal keeper for Manly Vale Premier League Soccer Team, scored second prize for visitors by finishing second last - there were only 3 visitors. He was so pleased with his effort he will be back this month with the whole team - about 14 of the sweaty soccerroos.

BILL TOWNSEND had a good day - he took home the family sized gilt-edged mirror from the raffle and the donors' scotch.

ROGER EHRET, of NRMA fame, was fined for offering advice to a motorist without the call coming through the switch. The motorist, Bill Sheehan, L.M., could not be fined due to his Life Membership. Roger, on the other hand, would not buy any raffle tickets because he was "due to go on duty at any minute". He was still haunting the hut long after the draw.

ANDY WARNER had a busy day - he welcomed the visitors, appeared as an airie, sold the raffle tickets and ran the putting.

NIFTY NEV will be partnered by his step-son Ray today. Ray has just arrived from Queensland with Neville's fifth grandchild - Joel.

MAL WATERS won't be playing this month - he is suffering from compo., shoulder.

THE DOUG DUNCANS are touring Europe. They spent 10 minutes last Monday watching naked ladies and gentlemen playing tennis in Yugoslavia - and the trip is only just starting.

GEORGE BIRD has produced a bundle of Lizards' Golf Club T-shirts. They are in attractive monotone with the emblem on the packet. The Treasurer has them on sale at \$10.

RICK BATESON has been fiddling with the handicaps - George Bird and Andy Warner are down 2 and Gordon Donald is up 2. Toby Webb and Rick himself are up one.

NEAREST THE PINS are 1st, 8th, 10th and second shot on the 12th.

Good golfing
