

LIZARDS

FLAT OUT LIKE

October 1982

WELCOME to Lizards - its Capt. Handicapper's and Assistant's Day - the one day of the year we can look fondly upon them. Rick Bateson and Dave Gilchrist are our donors, so lap up every precious minute of it as they don't seem to hear our pleas for mercy during the rest of the year.

PRINTER'S DAY produced the following results :-

Better luck next time fellers - come back as often as you like and get in some practice at Avalon for next year.

BRADMAN winner Peter O'Connor had some trouble with the regulation sized downer and was sent to the fence. He was recalled prematurely to join President Harry Thurston and the other airies, under the musical direction of Len Le-Mon, for another downer.

FINES incurred during the day included :-

The President	for mentioning the rain, an unworthy statement, and for turning a blind eye to the cooks smoking in the kitchen, the only dry area around the course;
The Plumber	for borrowing Vicki's golf umbrella for self protection and the misuse of the Club tarpoulin, deemed to be for members' protection, to cover his open M.G. car;

The Handicapper	for failing to sign the card he was marking;
His Assistant	for unseemly language spread, in treacle like tone, over the whole of the 18 holes; and
Mark McMillan	for wearing a hat which exuded gay intonations.

THE CLUB CHAMPIONSHIP, marked on the points system of 10 for a win, 9 for second etc., and down to 4 for playing, has been published by the Captain/Handicapper for the past 3 months. The early leaders are :-

George Bird	24
Mark McMillan	23
Paul R. Hennessy	18
Andy Warner	17
Len Le-Mon	15
Paul A. Hennessy	15

The rest of the field are all over the place like a mad woman's bingo chalk with two contenders on zilch for non-attendance.

DENIS COOPER has been granted 3 months leave of absence for some extra terrestrial reason so we won't be seeing him panting up Coronary Hill till next January.

LADIES NIGHT rated a mention at the meeting last Monday night - it will be held in the new year, possibly May.

COUNTRY MEMBER Bill Smith roamed into the Civic Club during the meeting to make a 20¢ phone call. It cost him \$5.00 to renew his Country Membership and whatever else he put in the pokies.

BILLY T nipped off to Europe for 3 months recently. He passed back through Customs a week ago. No one has been game enough to ask him why.

NAME TAGS are available - see the Editor if you are playing anonymously.

SHIRTS, Lizards, titled, are being given away for \$10 - see the Treasurer and get fitted.

THE CHRISTMAS HAMPER - our charitable effort for the year - is on the way. Bring more than you can afford to fill the stocking next month and again in December. Tickets are being printed for distribution in November.

NEAREST THE PIN HOLES are 4th, 8th, 10th and second shot on the 15th.

Good Golfing

Editor.
