WELCOME to Lizards - its Hennessys' Day. Between the pair of them they are the Club's Secretary, Treasurer, Chef, Caterer, ace Christmas Hamper ticket sellers and visitor promoters. We are lucky they are so busy - it helps to keep them out of mischief.

THE MANLY UNION CLUB are our visitors this month - a charter bus load of them - ETA 0830. The President of the Rugby Union Golf Club, Geoff Shaw, turned up at the Lizards meeting last Monday night with Eddie Jones and his hit-man Les Fox. They explained to us that "Oils aint Oils" and, whereas they did not win the silver trophy last year, they were not coming all this way in a 38 seater to make a T.V. commercial. The Lizards present and game enough to vote decided that enough packing could be made available for the treasured trophy should it be subjected to a bus trip home. The score last year was Lizards 776 points, Union Club 668 points.

CAPTAIN/HANDICAPPER'S DAY produced the following results:

LIZARDS	1st	Andy Warner	41 points off 23
	2nd	Len Le-Mon	40 points off 14

VISITORS	1st	Vern Peterson	47 points off 32
	2nd	Peter Kamaru	41 points off 32

CAPTAIN'S TROPHY Marty Plim for the best second nine on a count back from Nev Meredith.

CAPTAIN Rick presented his trophy - a magnificent 20 piece Dinner Set. Marty was beside himself - his favourite position. Nifty, playing off an honest 42, was within a grats of winning his first trophy, and what a trophy! Better luck next time.

PRESIDENT Harry Thurston could not do justice to his regulation Bradman downer and was sent to the fence - an unusual occurrence - he was running the meeting. Vice-President Marty Plim, still on cloud nine, took over and after some prompting from Hennessy and Bateson did a remarkable good job for someone still holding a dinner set.

THE MEETING was conducted from an empty shed while the dutiful members sat in the rain. Baggage Man et cet., Sheehan was asked why he had not bought the tarpaulin. He replied that it never rains on Lizards day.

MORE AIREYS than usual crowded into the shed to keep dry and have a downer.

TOBY WEBB, our veteran player, made a welcomed re-appearance on the course last month after a brief illness.

BILLY T., in an endeavour to be helpful, set fire to the plates. He was fined and banished from the cookhouse.

LEN LE-MON was fined for sexual harassment of a simple lad offering earlier player's golf balls for sale on the second fairway. Len had merely spun the cheeky little possum into the almost dry drain by delivering him a robust blow behind the lug with his rolled up Cleo magazine.

LIZARDS T. shirts are on sale today. They are gift wrapped for mothers-in-law or people who own everything. Members will not get a beer next month unless they are wearing one.

THE CHARITY CHRISTMAS HAMPER is on again. If you forgot to bring a tin of baked beans today bring something more substantial next month and jam it into the stocking. Pick up a couple of books of tickets for resale from the Treasurer.

DECEMBER is Manly Civic Club Day and "bring a prize win a prize". Drop your present on the heap when you arrive and Santa will see that you don't go home empty handed.

NEAREST THE PIN HOLES are 4th, 8th, 10th and second shot on the 14th.

Good Golfing.....
