MANLY R.U. GOLF CLUB vs. LIZARDS
Union Club 901 points defeated Lizards 898 points.

GEOFF SHAW, President of the Rugby Union Golf Club, accepted the silver trophy with glee and mentioned to the assembly that 15 of his members were playing in the "Open" and he had only fielded his 3rd grade side.

GORDON DONALD, the spirit of the day, presented his hard earned trophy to Les Fox, non-playing Union P.R. man.

FINES: some of the more printable ones were:-

Ray Walsham, for improving by 15 strokes in one month and winning the Visitor's Trophy with a staggering 50 points.

Denis Shortus for eating 5 steak sandwiches and Bill Leckie for clobbering him in.

Vern Sands for going early and taking the winner's card with him.

FINES (continued)

Ted Wilkinson for winning his class on the 1st, 10th and 14th and

Croupier Len Le-Mon for not buying raffle tickets.

BRING A PRIZE WIN A PRIZE: Don't put your prize in the Christmas Hamper... If you have, retrieve it and place it on the separate heap. Vicki Jellis will have pleasure in selling you something for a couple of dollars if you have forgotten to bring anything.

CAPTAIN/HA.DICAPPER, Rick Bateson was pleased to announce that of all the Lizards playing last month there was a margin of only 14 points separating the winner and looser, most of the players scoring the the regulation high 30's. He went on to say that Gordon Donald had lost 1 stroke and Len Le-Mon, Vera Sands and himself had lost 2.

VER. PETERSON presented himself at the meeting last Monday night with the idea of furthering his admission into Lizards. His nominator and seconder were conspicuously at home or wherever and things were not going too well for him. After what he must have thought was a thoroughly confusing meeting he decided to clear his mind on a power machine but, before his thinking came back to earth, he ripped 3 Jokers out of the window which would have paid thirty two dollars. He comes up again today, complete with Litcher's paper etc. for the opinion of the members.

NEAREST THE HIL JOKERS are 1st, 4th, 8th and second shot on the 11th.

GOOD GOLFING...
