APRIL 1983

WELCOME to Lizards on this our BILL SHEEHAN/ROYLE JENKIN Day. Bill was President in 1965 and is almost due for long service leave in his role as Life Member. Royle was Capt/Handicapper and President in 1973/74 and has unfortunately been on the missing list of late due to injury and illness. He could turn up and play today.

SECRETARY/TREASURERS DAY produced the following results:

LIZARDS	1st	Harry Warner	40 points off 33.
	2nd	Len Le Mon	40 points off 10
VISITOR	1st	Graham Baxter	17 points off 36
SEC/TREAS TROPHY		Ray Walsham	21 points back 9.

	17th	Andy Warner	
SECOND SHOT	18th	Bill Epps	
BRADMAN		Graham Baxter	17 points off 36
PUTTING		Alan Lewis	24 putts
MARK MacMILLAN TROPHY		Andy Warner	

AIRIES. Included The President, Captain/Handicapper, The Green Keeper from Royal Manly G.C., The Winning Visitor - and they still didn't know the tune.

FEB PUTTING George Bird 28 putts - a month late.

RAFFLE Rick Bateson. Donor of the raffle prizes, buys tickets, won and donated it back again. Gordon Donald scored the second time around.

MARK MacMILLAN donated his prize because of his impending nuptials with Bondi's famous Rhonda. Andy Warner walked the trophy in by incurring the most fines during the meeting.

FINES: Some of them were -

Doug Duncan	for coming up from Adelaide for the game, not being with his family on his birthday and laughing at Len's jokes;
Graham Baxter	for being the only visitor, winning the trophy, qualifying for Bradman and having an airie;
Andy Warner	for intending to become a naturalised Australian;

FINES (Continued)

Harry Warner and Noel Corley	for taking numerous cans onto the course;
John Bateson	for not coming on a wet day; and
Vern Sands	for turning up after 3 months and causing a flood.

MARTY PLIM, our esteemed Vice-President, was up from Canberra on R & R leave on the day of the game but was not allowed to come to Lizards.

DAVID GILCHRIST has the printers working overtime producing our Christmas Hamper tickets for 1983. The Club should have 100 books of 10 this month for distribution later in the year. The draw will be made on Sunday 18th December.

ERIC MacMEECHAN, Ex President 1971 and Ex Member of 5 years standing, was seen taking up bar space at the Civic Club during the week. He was down from Aldavilla, near Kempsey airport, where he has a firm grip of his own acre, of ground, and is growing a smorgasbord of edible vegetable matter. Aptly described as Mac Septiclush and Mac Frecklestein by past Editor Jim Howe, he was looking remarkably fit but still sounds like a Scots git. He was humming around for a free copy of F.O.L., so I will tidy this paragraph up a bit and send him a cheap black and white copy. If you are ever up that way, with nothing better to do, you could throw stones on his roof - he is at Lot 19, Haven Cres., Aldavilla, 2440.

RICK HANDI-BATESON-CAPPER advised that Ray Hilton has been given two extra strokes and Harry Warner has lost a couple.

NEAREST THE PIN HOLES are 1st, 4th, 17th and second shot on the 18th.

Good Golfing.....

Editor.
