

LIZARDS

FLAT OUT LIKE

May 1983

WELCOME to PRESIDENT'S DAY and the first ray of sun on the course for a while. Harry Thurston's reign, which we have had the pleasure of experiencing over the past 11 months and wading through for the last 3 months, is drawing to an end. Harry has only to tie the bow on Ladies Night and the AGM whereupon he can relax in his well earned semi-retirement as Immediate Past Pres., and enjoy the leisurely atmosphere of social golf again.

SHEEHAN/JENKIN DAY produced the following results:

RECEIVED MILLER MILSTON & FERRIS ENGINEERS P/L	LIZARDS	1st	Mark MacMillan	39 points off 15
		2nd	Andy Warner	39 points off 21
	VISITORS	1st	John Harrison	42 points off 19
		2nd	Neil Shackle	32 points off 24
SHEEHAN/JENKIN TROPHY			Harry Thurston - secret 9.	

NEAREST THE PIN	1st	Roger Eheret
	2nd	John Gaudron
	17th	Dave Gilchrist
	18th	Noel Corley
Second Shot on		

BRADMAN	Murray Gribbon	18 points of 36
---------	----------------	-----------------

FINES - some of them were:-

Bill Sheehan	for not filling the gas bottle,
Alan Lewis	for trying to do a plumbing job on the shed and making things worse,
Rick Bateson	for telling a racist Irish joke and apart from a few unmentionables the
"Warner Bros"	took out the rest: Harry 2 to Andy's 6.

THE CAPTAIN/HANDICAPPER was so impressed with the skill of the players in the soddon conditions that he gave John Gaudron, Noel Corley and Lifer Bill Sheehan 2 extra strokes and snipped 2 off Mark MacMillan and 1 from Andy Warner.

THE LINDENBERG KNOCKOUT has put the count on all but			
Len Le Mon	v.	Mark MacMillan	
Paul R. Hennessy	v.	Noel Corley	
Geoff Wotton	v.	Alan Lewis	
Harry Thurston	v.	Andy Warner.	

A result is assured before the AGM, otherwise Aub won't be able to present the trophy.

CROUPIER Len Le Mon, without going to the trouble of inventing the Kip Mk.2, has come up with a new money spinner. Known as Lizard Lottery it will be available to the unwary at 20 cents a pulse buster. Don't say you weren't warned.

VICE-PRESIDENT Marty Plim is back in town after a 3 month mind shrinking course at a college of knowledge in Canberra.

He attended the Committee meeting last Monday sporting a regal red pullover emblazoned conspicuously with the heraldic shield of The Old Course, Saint Andrews. How he scored it nobody knows. He is most probably wearing it today, so ask him and let me know.

CATCH, in the absence of his Proposer David Gilchrist and Seconder Rick Bateson, presented his own case for membership to the Lizards Committee last Monday. The Committee made knowledgeable buffings and puffings and concluded that the Members would make the final decision at the meeting today.

LADIES NIGHT is all set to go on Friday, 20th May. The venue is the Civic Club, 7.00 for 7.30. The executive of the Civic Club will be represented in strength, Vicki Jellis has been invited and Aub and Lady Lindenberg will make a personal appearance. Pre dinner drinks will be served and there is a rumour that the ladies will receive "little gifts" - sounds like one of President Harry's olde world touches. Advise the Secty/Treasurer today of the number of tickets you will be requiring.

TROPHY HOLDERS 1982-83 are requested to return the annual trophies to a Committee man, Gordon Donald or the Civic Club, within the next couple of weeks, for engraving and presentation at the Annual General Meeting in June.

LIFE MEMBER LANCE TRY is convalescing at home following his recent stay at the Repat. Hospital, Concord. A friendly line or word from some of the members would possibly hasten his recovery. Lance lives at 37 Lynwood Avenue, Dee Why, 2099.

NEAREST THE PIN HOLES are 4th, 9th, 10th and second shot on the 11th.

Good golfing.....
