RAFFLE		Harry Warner	No. 81.

NIFTY was chipped for impersonating a gentleman by wearing official referee sox, however he soon convinced his accusers of their authenticity by advising them of his Rugby Union refereeing career in the Parramatta District from 1959 to 62.

PAT PURCELL, a wild Irishman of Marty Plim's acquaintance played his first game of golf - avoided being Bradman - and seemed keen to give Avalon another chance, now that he "had the hang of it".

FINES: Harry Warner for sporting new clubs, buggy and unused golf balls;
Marty Plim for inviting a Pommy and an Irishman - they were all fined for playing a 5 with Billy T and Rick Bateson;
Bill Sheehan for leaving the cow bell at home;
Paul Hennessy for doing the same with the raffle tickets;
Gordon Donald for taking 30 beers onto the course; and
Harry Thurston because it nearly rained.

HARRY THURSTON, resplendent in a new suit, brought his presidential term to a close with aplomb at the 37th Annual General Meeting held in the Civic Club on 8th July. Special guests were Jock Ross, Imm. Past President, Civic Club and Aub Lindenberg, donor of the Lindenberg Trophy. Lance Try, Life Member, was given a warm and well deserved welcome

AUB LINDENBERG acted as Returning Officer and the following members were elected;

and, with some assistance from the President & Aub Lindenberg, presented the following trophies;

JOCK ROSS thanked the President and members for the invitation to attend and mentioned the long and friendly association of both clubs; Lance Try gave a brief discourse on Lizard history. Both came under fire when THE LIZARD "went missing" during the official side of the meeting. The Chairman regained his cool when the bronze-crested saurus was found basking harmlessly in the shade of a vacant seat.

HARRY concluded the festivities by presenting the Paddle to Paul A Hennessy and handed over THE LIZARD to Marty Plim.

MARTY sat behind THE LIZARD in the imposing surrounds of the Civic Club Board Room last Monday night and, in cahoots with the Committee, came to the following conclusions;

Annual Sub. - Members \$10-being \$2.10 plus \$7.80 trophy fee.
Annual Sub. - Country Members - \$2 - Country Members compete for the Visitors Trophy.
Monthly "Green" Fee - \$12.60-includes putting competition and Hole in One Insurance.
Len Le Mon to carry on as Croupier.
Catch to be Victualler.
Fixture Cards had been printed but would not be available till next month as the printer had proceeded on leave.

MEMBERS or friends desirous of donating a trophy, whether it be a Sophie Trophy or a Lindenberg type, are requested to approach the President or any of his men and, as long as it is not illegal or fattening, would have a better than an even money chance of having it accepted, publicised and given the opportunity of making the presentation with due ceremony.

PHIL SAILLARD retired after several years of service with the Manly Council, during the week, and as his health improves will be spending a lot more time with us at Avalon.

THE POND: The needle of the Syzygic Graph indicates a Ladies & Lizards Day at Avalon on the second or fourth Sunday of a month - the month to be arranged. Our fearless leader, Super-Mart could be airing the suggestion today.

NEAREST THE PIN HOLES are 1st, 4th, 17th & second shot on the sixteenth.

Good Golfing
