WELCOME to LIZARDS and the PEARLY SHELLS/SAILLARD DAY.
Len is our hardworking, always talking, joke ruining Croupier and
Phil is our most relaxed member, having just retired after long
service with the Manly Council.

THE EPPS/MEREDITH Day produced the following results;

LIZARDS	1st	Verne Paterson	36 off 24
	2nd	Phil Saillard	36 off 19
VISITORS	1st	Neil Shackle	34 off 32
DONORS TROPHY		Harry Thurston	3rd in Lizards
PUTTING		Gordon Donald	29 putts
NEAREST THE PIN	1st	Marty Plim	
	4th	Marty Plim	
	17th	Marty Plim	
SECOND SHOT ON	16th	Alan Lewis	
BRADMAN		Charles Herk	16 off 24

FINES: Some of them were:

Alan Lewis for playing the Secretary's ball on
the 6th with the excuse he had lost his own and
this one would do;

John Bateson for using a pommy expression when he
called a two bob 10p;

Len Le Mon for trying to win the Vogue Award for
1983: screwing up a Flat Out Like and selling socks
dearer than K Mart;

Catch for baby sitting the Capt/Handicapper's kids so
he could attend a Lizard meeting, trying to charge for
the service and drinking the Captain's Para port;

Dave Gilchrist C.H., for permitting a visitor to score
61 points the month before; and

Harry Thurston I.P.P., for mis-spelling Paul Hennessy's
name on the Paddle.

NIFTY MEREDITH had a busy day. He handed over the Donors
Trophy, lined up with the Airies and spent the rest of the time
running around with the Swear Tin.

VISITOR Paul Wetting won the raffle and collected 6 delux
Irish coffee glasses.

MAL WATERS is off to Manly Hospital on Tuesday where a panel
of beaters will assist in removing the dents from his right fender
which was damaged at work over 12 months ago. If we are going to

send him a present it had better be something he can read or drink left handed.

FALL OUT from the Committee meeting last Monday included:

Bill Sheehan has been given the task of disposing of the Club's rather used box trailer. He will be thanked if he looses it and awarded Life Membership and Bar in the event of it being sold for ANY amount of legal tender.

THE LINDENBERG TROPHY play-off will start in January/February.

HANDICAPS have been revised on a 5 card system - Paul A. Hennessy cops 7 extra strokes, Neville Meredith 5, Rick Bateson and Noel Corley 3 etc. Len LeMon gets 8 - but don't worry about it - that's all he gets, he plays off 8.

MEMBERS will be credited with 2 points for bringing a visitor or visitors to the monthly game. These points will be added to the normal points earned for attendance and coming 1st, 2nd, 3rd, 4th, 5th etc. The Annual Points Score winner is the member who takes home the 500 m.m. silver cup, the Lizard's prestige trophy.

THE MANLY VALE FOOTBALL CLUB - a banned of approx. 15 shin-padded hairy legged socceros - may be our visitors next month.

MEMBERS are to be reminded that the Club has booked the tee from 8.30 and are requested to refrain from hitting off before this time.

THE CATERERS and C/H'CAPPER are the only persons to be given precedence at the Tee.

THE EDITOR has done a complete taxiderm on one of the Swear Tins by incasing it in Lizard skin. If you desire a close scrutiny of his amateurish handiwork merely interrupt the President or say a rude during the meeting.

NEVILLE MEREDITH had a reasonable photo of himself in the Mirror the other night. It was, unfortunately, to do with the demise of his long standing and famous friend Tex Morton.

NEAREST THE PIN holes are 1st and 12th with the nearest the pin on the second shot on the 5th and 18th.

Good Golfing.....

EDITOR.
