

FLAT-OUT LIKE...

SEPTEMBER 1983

WELCOME to PRINTERS' DAY - the donors are our own members of the PRESS gang, Roy Malm and Billy T. We hope the impressive pair will be at the Course to present the trophy in person.

LE MON/SAILLARD DAY results were as follows:

LIZARDS 1st	Catch	48 off 30
2nd	Jack Gaudron	46 off 32
VISITORS 1st	Neil Shackle	44 off 24
2nd	John Mooney	41 off 18
DONORS TROPHY	Paul A. Hennessy - Best 1st nine 26 points.	
NEAREST THE PIN	1st Paul Bower 12th A. Skinner	
SECOND SHOT ON	5th John Mooney 18th Catch	
PUTTING	Bill Sheehan	
BRADMAN	Toby Webb	24 points

ALAN LEWIS conducted the meeting in the absence of the President and Vice-President. Marty was O.H.M.S., and Rick was sweating over a wet canvas in his endeavour to win the Warringah Art Prize. Let us pray that Interpol does not filch our Pres., and Two-loose Bateson does not become famous and take up residence in a garret in the Dulux suburb of Paddington.

FINES; Some of them were:

Harry Warner for being naturalized and not knowing whether he wants to be an Arunta or a Binderboo and for scoring 5 points on one hole;

Ex-member David Jones for enquiring which Sunday of the month was Lizards' Day and for breaking silence without uttering a word whilst his opponent was putting;

Len Le Mon for parading the street in his nightie at dawn on a golf day; and

Four desperates for drinking on the course.

NEIL SHACKLE, visitor, next-door neighbour of the Captain Handicapper and perpetual trophy winner has had his handicap reduced from 32 to 24 over the past couple of months. He will be playing off 20 today and could knock off the Visitors' 2nd prize with 38 points.

MAL WATERS is out of hospital and feeling great. His right arm is still on the sick list but improving with each surgical adjustment over the past 12 months.

BILL SHEEHAN'S wife Pat is off in Thai Airlines 747 to Rome-Florence, in fact she left yesterday afternoon, then by Eurorail

to all points north for 6 weeks. She intends dropping into the Oktoberfest on her way to Paris and Zurich before giving the Old Dart the once over. Numbers 2 and 3 sons have proceeded her to the Mediterranean cum Kyber Pass areas and will meet her at predetermined references of the map to share a mug of Aquivit and Coke washed down with a goat-burger. Peter, the carpenter, has been "over there" for fifteen months and Martin, a sparks, for about six months. Good luck to Pat and especially Bill who has not cooked a meal for himself since he was on his last overseas trip in Wewak.

JOHN MOONEY, Secretary/Manager of the Civic Club managed to score 41 and a Visitor's trophy last month notwithstanding playing with Billy T.

TONY DELLA, Captain of Manly Cabs Golf Club will be hitting off this morning. He amassed 41 off 15 in February and if he scores 41 today the word is that his golf will have improved by a few strokes. Other Hungries in the vicinity will be John Chobocky and Peter Long. Last month John had 28 off 24 and Peter 34 off 19 - the Smithsonian Institute has been advised that there are honest Cabbies.

MANLY VALE SOCCER CLUB, under the auspices of Paul R. and Noel Corley, are already here so don't worry about it - or, if you are, don't say anything, there are too many of them. Last year the Lizards beat them 229 to 196. This year the Captain/Handicapper had better screw a few knobs and arrange a dead heat or better to foster goodwill and save the shed from being kicked down.

CAPT/HANDICAPPER, David Gilchrist (don't knock it, he might have been Cook) has announced the following losses of members assets:

Catch 3, Jack Gaudron and Paul A., 2 and Alan Lewis, who didn't have much to amuse himself with anyway, 1

On the other side of the ledger and out of the goodness of his black pudding heart he will be donating a trophy for a competition commencing October and being decided at the Christmas game. In a further ploy to ensure his re-election to Captain next June he has awarded Toby Webb an extra 2 strokes.

NEAREST THE PIN are 8th, 18th and nearest with the second shot on the 2nd and 14th.

HIT OFF TIME is 8.30

Good golfing.....

Editor.
