WELCOME to Lizards' - Its SECRETARY/TREASURERS DAY. Paul Hennessy, who is the garnish in both roles, will be dishing out the Donors' Trophy. A couple of months ago it was HENNESSY'S DAY and he shared the dubious honour with our take-away tycoon Paul Junior. Last month he wrote the F.O.L in the absence of the Editor, who was lazing about in New Zealand. On Monday night he stood in for the President and Vice-President at the Lizards meeting when they turned up missing. He is all over the place like top dressing - it might not be long before Len Le Mon fertilizes him.

FOUNDATION/LIFE MEMBERS and DON GOOZEE DAY last month produced the following results;

LIZARDS	1st	Noel Corley	48 points off 12
	2nd	Gordon Donald	44 points off 16

VISITORS	1st	John Copeman	47 points off 29
	2nd	Bert Ladner	46 points off 26

BRADMAN
Pat Purcell
- shared by John Copeman after
a count back of clubs.

NOEL CORLEY won the day by playing par golf - the only variation he made on the printed card was when he slipped in 2 birdies and 2 bogies. Congratulations on your fine effort and hard cheese on the loss of 4 strokes.

JOHN COPEMAN and STEVE RHODES, new members, played their last round as visitors. John coasted in by a gnats to win the trophy, but at the weigh-in some astute pimperl disclosed that he was carrying more clubs than a Maori war party playing euchre - so he had to share the Bradman downer as well as one for winning and another for being a new member. Since then he has had his handicap reduced by 5 strokes. Steve, on the other hand, played to regulation, won nothing, and lost 4 strokes - just not his day either.

GORDON DONALD and ANDY WARNER lost a couple of strokes each for over exuberance, while Asst. Handicapper Alan Lewis lost one to make the whole thing look honest.

THE LINDENBERG TROPHY is well on the way - a dozen players still having a show. The draw for this game is:

George Bird	v Geoff Wotton
Noel Corley	V Gordon Donald
Billy T	V Jack Gaudron
Dave Gilchrist	V Paul Hennessy, Jnr.
Paul Hennessy	V Lennie Phosphate
Alan Lewis	V Neville Meredith.

DAVE GILCHRIST, THE Captain/Handicapper, has just returned from a week in Noumea where he spent most of his time supine on the golden sands, wearing 'Le Specs', hoping for one of the well oiled, slim French modules to test the breaking strain of his sun glasses. None did - but it was O.K. she was the Mother Superior of a wayward boys home, and had been trundling along the beach trying to lose about 30 kg. He didn't need the glasses for reading anyway. Two off-duty Gendarmes assisted in extracating his upper torso from the close packed sand. The hospital staff convinced him that he had not been hit by the hole of the E.M.I. Company.

THE CHRISTMAS HAMPER proceeds have been handed over to a very deserving cause-the Spina Bifida Association.

NEAREST THE PIN HOLES are 1st, 9th, 17th and second shot on 14th.

Good Golfing.....

Editor.
